Oh I see, good luck with sales

Please provide some kind of proof of this. Getting order confirmations is easily done by carding. Which is disallowed on this forum. I advise anyone here to deal through a middleman and release funds on delivery. However that is still no proof he's not carding this.

On top of that, why simply not get these sent out to a reship and just sell them on Ebay for 70%? There is no motivation to selling a very expensive product for these utterly low prices. It's the same as pricing a 500/day ebook for 100 bucks.

Becareful dealing with this seller. User wants you to pay half upfront. Even when I said mm can whole full funds. He kept making different excuses how he needs payment upfront. He said his using giftcard and has balance resdy. But still needs funds. And can't use mm

Not sale thrashing. But don't want to see someone get scammed.

How am I sale thrashing. You said you have 0 money because you "invested all your money into a project" and you need upfront payment which a middleman can't hold. You said you don't have money for food and you won't be able to eat for days unless I pay upfront. You Know how stupid and dumb that sounds.

I don't want a random person to fall for this scam.

No one is stupid enough to pay you half up front if that's what you're asking. I wouldn't pay a cent until I received the item I bought from you. Either that or a MM holds all funds until the item is received.

Nate - June 26, 2020, 6:54 pm

I'd be interested in purchasing an item, but like what other users said I would only pay after it's been

delivered.

Or I'll take your free vouch copy if your doing it still.

Syome - June 26, 2020, 7:13 pm

That's a pretty good deal on a 2080 GPU, too bad i just purchased one.

Nate - June 26, 2020, 7:32 pm

What type of laptop can you grab, and can i pay after its been delivered.

deluxe - June 27, 2020, 7:51 am

I am very intrested of the 2080 TI. We can use MM for sure, but i am not doing any payments in advance. If this arrangement is fine with you. Please PM me.
