Bought 3 months. The method seems very solid to not expire before that. Would recommend!

Same here, they said they're working on a fix and I believe some people already got their subscriptions back.

I made a ticket yesterday (oct 8) and no response yet.

I believe we will get sorted out shortly!

Edit: everything got fixed, thanks!

The upgrades have not been working since almost a week, support ticket not answered on the website either. Most likely paypal would only be enabled when OP fixes old netflix accounts first.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
