Verdande - June 28, 2020, 12:29 am

Hello guys, I am gifting I33t to one person.

Requirements :

Minimum 100 Post(s) OR 50 post(s) and 5 Threads

No scam reports against you

Account made prior to June of this year

+1 Reputation & No more than 5 Negative reputation

Hopefully by setting these requirements I will find someone whom is active and are planning to stay. Post in the thread. You can also post for your friend if you know someone who does not have I33t.

Thank you all.

Thanks for giving back to the community! I don't know if I qualify due to my rep, but the -rep was due to a bytes for -rep giveaway I did to prove that rep/popularity doesn't mean anything on the forum. Can show proof of the thread too. Once again, thanks again and I hope I'm a good candidate!

Heres the byte giveaway thread: <https://hackforums.net/showthread.php?tid=6048144>

I agree with you. I hope OP will reconsider rep requirement.

People -nep others even when they disagree with you on any topic. They don't really mean anything.

I hope you get it, mate.

@OP Please give it to him as he posted first. :)

Posting to have your consideration on this, i meet all the requirements, been active and really would loooooove the upgrade because all of the perks and to be honest i cant afford it right now.

I can agree with being in some time of check up for the account so u know i will be still following the rules and be a good member here

Thanks for considering!!!

A very nice initiative OP. Why havent you upgraded your own account yet, thats what ive been wondering ?

P.S. If this were an Ub3r offer then Id jump right in.

Isn't it a requirement to be upgraded yourself before you can gift an upgrade? You're probably gonna have to buy it for yourself first.

Generous of you though OP

Verdande - June 28, 2020, 9:13 pm

Made some exceptions, awaiting the person to respond. I will be upgrading too, as mentioned. Thanks to all for participating!

Appreciate the recommendation brother! I hope I've been HQ enough for the period of time I've been on HF. Actually just passed my 500th post milestone so I'm happy about it :D
