Thread: [Free E-Book - Earn Crypto With No Effort - Method 1](#)

sonic_fire - June 28, 2020, 6:03 am

Hello,

I wrote a short tutorial about how you can earn crypto with no effort.
The method is simple and there is no initial investment needed.
It is not about trading on specific platform and it is not about creating an account on Coinbase.
It is not country specific and KYC is not required.
In order to get it, just post on this thread and I'll send it to you through PM.

Thanks!

This thread was united with my other thread and become a brand new one:

I'm closing this one now, please follow me on the new one.

Earning crypto with no effort sounds interesting! Could you send me a copy of the eBook too?
Thanks :D

Inf3xt - June 28, 2020, 11:58 am

Would like to see this, thanks in advance!

It was a very nice read. Really simple and well explained. I loved the instructions you gave in the end about how to avoid scammy methods

Thanks, man! I wasn't sure it was the right place to talk about it, but I hope people will think twice when reading a selling thread because it is so easy to get scammed nowadays.
