Lorem Ipsum - June 28, 2020, 6:20 am

To share some love with you all on this amazing Sunday, I decided to make another thread.

Quick-Love for you all

How to get free bytes;

< Post here a POSITIVE message - something you love, or are grateful for (didn't do this? No bytes for you!)

< I'll Quick-Love your post (10 bytes)

< 1 Post per member

Doing this for 50 members only!

Never said I am limited to 50 bytes?

Not going to be a pain in the ass here, so I just sent you some quick-love..

Thought about not sending you anything at all, as you didn't even care to read the requirements.

Next time, regardless if we know each other, just post a sweet, lovely or grateful message or I ignore your post. ?

Update;

My positive post, isn't really something from me.

But I would like to share an app - it's called "Sprinkle Of Jesus".

This app reminds you 1-3 times a day at random times perfect quotes to get you through the day. It's like it reads your mind and will tell you exactly what you need to hear at the perfect time.

Even if you don't believe in a higher power, this app really has changed my life. I highly suggest it! :)
