Thread: [Bitcoin Mining with RAT Clients](#)

itznejcccc - June 28, 2020, 12:15 pm

Hello,

I am not very experienced with RAT clients or anything I just want to ask
is there a Bitcoin mining RAT client?

Thank you

VisualSoft - June 28, 2020, 12:20 pm

BTC Mining is not worth buddy, you need to go with alter-coins to make some profit.

I see,

do you have any recommendations on free RAT clients with a lot of fun/troll features?

doing this to unauthorized computer is totally illegal.
just don't do this kids stuff and leave people alone.

You are the creator of it lol
seems like a fair price
