Just keep posting every 24 hours and you get another entry! No limits!

Rules:

Anyone can join, just post once on the thread for your entry!
NO multiple posts allowed!

Would you mind explaining this? I appreciate the giveaways you do, really. It's a nice gesture to give back to the community in such tough times but I've a hard time understanding your rules. You clearly mention posting every 24 hours is allowed but mention two lines later that NO multiple posts are allowed.

Again, thank you for hosting this giveaway. Would love to win the \$100.
