I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. I will post the original PM (including date) at the OT once somebody won this. It's really rare to see this few numbers left and still no lucky number guessed.

No you can't haha I think this is the last Contest I hosted with a drawing of a random 1-100 number.
The 1-25 was done in less than a day and this Contest is taking too long haha.

Next Contest will be post-to-entry and perhaps 10-25 bytes. Prize \$25 USD BTC or award of choice.

So stay tuned and don't forget to participate ?
