I was thinking about joining a group but didn't know how and some seemed to cost money so that was discouraging for me. Im a pretty chill person, loyal, empathetic and I always try to be helpful to other people. I dont think I have any other extraordinary or impressive traits (I tend to underestimate myself a lot too). Most of all, I think I deserve to be in Flight coz I'm the only person in this thread taking this seriously (so far).

Spoiler [\(Click to View\)](#)I have a good sense of humor too but it has an on/off switch.

Mister Slyther - July 3, 2020, 4:32 am

Very nice userbar, good luck picking the right person :)

It's not a group, it's a Crew.
Big difference between the two.

Cooligan - July 5, 2020, 7:18 pm

[Orchid](#)

Genuinely what is your Crew supposed to be about?
What are perks of joining?

Give us some details man.

Glided - July 7, 2020, 8:43 pm

Personally, if I join this will be my crew within my HF time. I'm planning to join one and stay loyal. I do appear to be new, but I've been on-site roughly 4 years. I'm pretty known on a couple other forums, so I decided to bring my services here.

I'm planning to stay active, which has been consistent since me coming back to the site. I have a handful of USEFUL perks I can represent for your crew. 50% off Instagram promotions (6M+ Network), 5% off all exchanges, and more. I can join any group that has buy-ins, but that's to easy. I'd like a invite-only crew, it's more limited which means joining the group comes with more requirements. I feel as if I'd be a great addition to your crew.

This is purely based off of your post, considering there isn't much information listed about the crew. If there is any criteria I'm willing to try and meet it. The user bar & name is very clean as well.

A bit about myself - I'm an 18 year old marketer who spends most of my time on my computer or phone optimizing ways to make money. I run a couple of websites that have produced me great revenue, I am in control of marketing & promoting for a celebrity on Instagram. I'm looking to stay on site for a long time, eventually end up how I was on my previous forums and start collecting awards, gaining rep and getting my name across the community.

If you have any questions, feel free to send me a private message. This is all a free-write, I'm not to sure on what's expected to get into a crew or a group without an application format. Good luck to everyone else.

Thanks.

Big difference between the two.

There is a "big difference" between crew/group prices but it stops there ?

I will allow you to add me to your group as a blessing and a favor, nothing more nothing less.

Zero - July 9, 2020, 10:53 am

Sadly I'm in reapers and just got invited by iNviZ recently. Will be rude to leave now. But if I wasn't would've wanted to join 100%.

Crew looks amazing! UB is so beautiful.

Seems like you keep it exclusive and pick only the chosen ones. I like that a lot.

Keep it up, and good luck in the future buddy! If you ever need anything at all, HMU I'll gladly assist if possible!

Thanks for reading.

Crypticus - July 9, 2020, 3:39 pm

You could send me that invite, not 2 invites, not 0 invites, just 1 for me ?

Zesty - July 11, 2020, 4:50 pm

Send me an invite you never know where it will take us together

Halobreaker - July 11, 2020, 5:39 pm

'Cause why not invite a completely fresh face to Flight?

Artisan - July 20, 2020, 4:52 pm

Thanks a lot for taking me in. Already in love with the userbar (did my best to not mention it as everyone seems to be going on about it).

iNviZ - July 20, 2020, 5:52 pm

Good motive man. Awesome to see groups actually getting more unique. In the past was The Alliance, Infamous and Red Lions.

Good group move and wish you the best of luck. HF needs some HQ groups that don't offer a buyin sorta thing. Hats off to you mate.

Best of luck

Edit- (not looking to join, just want to tip my hat to you and show respect on how you are playing your cards the correct way)

I'm not sure if you're still accepting members, Artisan's application was pretty nice. Though if you are...

I miss the feeling of being apart of a close kitted community, I spend a lot of my time trying to help members around the site and I feel it would be nice to have a community to talk with and help as well. I'm not sure how close the members in flight are but I'd like a chance to experience that feeling again, hopefully for longer than my previous group.

Anyway, thanks mate. Here's one of my favorite songs.

Why did you gotta do Bronson like that ???

Jokes aside, that is a unique and a very good looking userbar. Seeing those videos from 5 years ago really brings up your charismatic and fearless personality. I hope you still rock the world like that and have those marketing skills that you use to have back in the day.

Best of luck with the group.

That video actually made me respect this fella.

Honest member that I see being successful in life.

Glad to see a member giving ? and succeeding.

So, tell me how it felt when you walked on water

Did you get your wish?

Floating to the surface

Quicker than you sank

In less than a year I went from 'noob' to 'bytes-selling Vendor' which is a great achievement for myself in my eyes.

I am not the 'average' HF poster, as I have a lot of lovers and haters. I don't think I am the only one that deserves to be in this group, but I would be grateful for being in one if it ever happens.

You have an extraordinary User bar and the outstanding quality seems to be appealing to many.

If you think I have what 'it takes' to be part of your group, I won't let you down. If you think I don't have it, you won't be disappointed in your decision either. It's your choice!
