How do you think, this is going to end?

And any advice is very welcome!

"Big Payday or Possible criminal charges"

If this is a question the answer is obvious, a big payday.

I would start off by doing smaller amounts and see if anyone notices... if they don't honestly care then go for it. But it's also criminal.

Just send the site a message, and let them know, if they don't care then it's up to you OP.

I wanna say go for the money making approach, but then again not sure if this stuff is allowed to be discussed on HF since it's fraud.

Per say, we aren't discussing fraud. We guess the outcome ?

Yeah I don't recommend doing any illegal activity, but I would personally just do a small amount as a demonstration and create a support ticket, as a proof.

If that doesn't work then it's all up to OP.
