Botnet Setup | RAT Setup | Stealers | All Your Alibaba Tools.

Sup guys. i am willing to make useful my free time to help you setup your RAT, botnet or stealer, keylogger etc.

I setup for free and will appreciate if you reward my efforts.

I can setup almost all RAT

Also I can Setup fair amount of botnets , Keyloggers and stealers etc.

Also can spread for you. and teach you how to spread too.

you can chat me on skype (for faster responds)

You should stop grave digging old threads.

OP was closed for being a ban evading scammer, obviously.
