Thread: [Looking for Beta Testers for my crypter](#)

Mitch - July 6, 2020, 8:53 am

Looking for beta testers for my crypter, PM me or post to be sent a link.

Looking for constructive feedback, I would like to improve my product.
(HQ Members only please ?)

Hit me up man would love to help you out, will give constructive feedback.

BabyYoda - July 6, 2020, 2:11 pm

I'd be interested. What language are you building it in?

Sent above users PM's

This was developed in C#

Very interesting.
Count me in, I'm willing to test this mate.
Let's have a chat you and me.

December - July 6, 2020, 5:21 pm

Am I allowed to receive this or no?

Ortek - July 6, 2020, 5:29 pm

Not with that avi, no way.

What were you even thinking?

Sent you a PM!

Ren And Stimpy - July 7, 2020, 5:13 am

Interested.

I can help beta test. I have beta tested MANY MANY MANY products here on HF and have been support for most of them as well!

Astonished - July 7, 2020, 6:23 am

I'd be down to give it a test if you count me as HQ, either way good luck with your product!

ivvanek - July 7, 2020, 6:42 am

It would be nice if i can test it, waiting for your answer.

myxhacka - July 8, 2020, 6:33 am

Sounds like a game plan,
Shoot me a pm, if you think i deserve to test for you.

Thanks
