Thread: [\\$2000+ MONTHLY BTC AUTOPILOT METHOD - WORKING SINCE APRIL 2019 \[PRIVATE SUPPORT\]](#)

Vichenzo - July 6, 2020, 10:43 am

So, I've been using this method for over a year now and I'm still making steady few k per month with it. I decided to make an extra income by selling it.

The method makes over \$2000 in BTC per month and can be scaled to higher numbers.

Features:

- Whitehat
- Working Worldwide
- 100% Automatical
- No age limit

Doesn't involve:

- Crypto trading
- Reselling giftcards
- HYIP
- Ewhoring
- Cracking

You are able to start making earnings with this method at day 1 of using it.

Requirements:

- \$700 in BTC
- Crypto wallet

The method is extremely easy to use and anyone using it, will be able to make money.

I'm 100% confident in the method, so I'm down to using MM (you pay the costs).

I will be offering you my assist everyday and giving you advises to maximize your profits.

I'm going to launch the sales at \$200

Leaking or reselling the method will cause a scam report against you!

If a user is seriously interested and has a nice reputation here, I can always let him pay after he earns with the method. I'm not interested in giving it away for free

I'd be interested in this; how much work is required to earn X amount a day?

I can do this if the method is actually legit

The work needed per day is no more than 2-3 minutes. Your earnings with the method depends on the money you've got to invest.

The method is absolutely legit. I'm still doing it everyday and enjoying the easy money :)

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I'm interested and I would be glad to try this out if you'd allow me to.

I would agree to a one time payment after the advertised earnings have been made.

The method is gambling related. In my opinion, I have heard so many sellers say "Its tested for a year and if you do it my way you will not loose." I bet it is just something like martingale but with very low bet and very high balance so you do not "overbet". Or 10/90.

I believe the method should be sold for much less, gambling methods should not be purchased for 200\$. Risk too great, especially with \$700 investment required.

You are not the person that should value my method. I'm making crazy money with that method and I think \$200 is a gift.

Some people already bought the method and are doing it now. Wait for their reviews and stop judging

Gh0sT`` - July 7, 2020, 3:34 am

Also judging by his response I triggered a nerve there.

And here is my response.

Posting here so I can follow the reviews to hopefully follow.

Sorry but I'm not selling this anymore. Decided to keep it private :)
