Thread: [FREE NO DISTRIBUTE SCANNER ?](#)

No Reply - July 6, 2020, 1:16 pm

Is there any Free No Distribute Scanner left ?

Logik - July 6, 2020, 1:22 pm

I always use Kleenscan. You need to register an account, however it is free to scan with extra paid options and doesn't distribute your files. I always use it and had good results! ?

You seem to know a lot for someone who joined a few days ago....

With that being said, yes kleenscan is a good one.

Free:

cyberscan.org

antiscan.me

Paid:

kleenscan.com

avcheck.net

I don't recommend free scanners.

I use avcheck.net and I'm very happy with the results.
