Hey man. Sorry for all this. I just saw this contract now. I was making deals as I was out at a party. I'm extremely drunk right now. I'll settle this out and refund you tomorrow. Apologies for the confusion. Have a nice night.

Haven't received a response from you. The btc were moved to another account while you said you would refund as soon as you got home. Still waiting

Still waiting for you to make it right. There are also at least 2 other people waiting for their money back from you. I'm surprised they haven't opened a dispute yet.

In the same boat, waiting for a refund. I hope Lakai can grow up and handle his issues.
