Please Read

How To Enter:

Everyone wishing to enter this giveaway will need to do a few things. The first thing being quick loving the post. The second criteria to enter the giveaway would be giving some positive rep if you have not already. The third and final criteria to enter would be to comment on this post with your favorite staff member. Two reasons for commenting this the first reason because im going to do a separate giveaway for the staff members and the second reason to have a post number because thats how I will choose the winner of this giveaway. The more times you comment the more entries you will have. Not following all three of the criteria will get you disqualified from the giveaway and I will check before the winner is messaged. If the winner has not done all 3 I will re-draw until I find someone who followed all the rules.

Prizes

1st: Btc and awards up to 150\$. If you want 150\$ in awards you can do that or if you want 150\$ in Btc, we can also do that. Also any variance of that. 100\$ in Btc and 50\$ in awards.

2nd: 50\$ in Btc or awards.

3rd: 10\$ in Btc.

Award for staff

50\$ in Btc

I wanted to give back to the wonderful staff that keep this forum looking great and running great as well. (Staff can win the normal giveaway as well if they choose to enter.)

eXceptional - July 9, 2020, 10:48 pm

I wish we could choose 2 staff member but my first priority would be [Vitani](#) for being a good friend.

He has always been very clear about his work on Hack Forums and being a friend. He's a very good guy to talk with.

Apart from Vitani I would love to talk with Xerotic more, but he's a busy person. Omni at the other hand is the admin. He's again a busy person and also never learned more about him personally.

OP, gave you a quick love and +popularity. Thanks for hosting the contest.

Linux X - July 9, 2020, 11:03 pm

Well my favorite staff members is definitely Vitani! He is just awesome guy! Before few months I was lucky enough to win 20k bytes from him, but I don't choose him only for this.

Good luck to all! It's really big contest! Hope 2 win!

MightyOne - July 9, 2020, 11:54 pm

Holy crap this is a serious contest ! such a huge prize, thank you SO SO MUCH!

I have +rep'd you in the past, and since im not upgraded already to ub3r i cant make it higher.

But i have quick loved this post :) like requested

as per the Favorite staff member, i would say Xerotic. not because i think others are not good enough, its just that most of the updates and stuff, hum games etc iv'e seen are related to his work and so i appreciate what he does.

Also, for multiple entries, do i need to keep writing about staff and all or just comment?

BTB™ - July 10, 2020, 12:08 am

Quick Loved

Already repped you in the past.

Favorite Staff - Eagle 95

Thanks for the Contest. Cheers.

vyactor - July 10, 2020, 12:28 am

Xerotic and Eagle 95 both have been my favorite staff since the early days. I appreciate how Xerotic is working full time on HF as far as I'm aware of and Eagle 95 is the most active staff and does his moderation job with decency and without being biased.

Quick loved your post, +1'ed you, and thank you for hosting this.

Cheers!

MMA Fighter - July 10, 2020, 12:39 am

1. Quick Loved

2. +Rep you

3. Favorite Staff - Eagle 95

Thank you very much for hosting this awesome Contest Goods

Renestey - July 10, 2020, 1:14 am

Left you a quick quick-love, love. Posting here to enter this great giveaway, thanks for hosting and good luck to everyone! My favorite staff member would have to be [Xerotic](#) love his coding work on the site!

123 - July 10, 2020, 1:26 am

[Vitani](#) and [Xerotic](#) are my favourite from Staff/Admin Team. Haven't interacted with other staff members much but these two were super cool in little chats we had (of max 2 messages sent back and forth).

[Eagle 95](#) is like that nerd monitor who want every one to be in super discipline and not violate even

a single rule. I have received only one warning for LQ Posting and guess who gave me that. If there is anyone on HF who can really make everyone follow the rules, he is [Eagle 95](#) without any doubt. Thanks to him for keeping HF as it is.

I guess [kawaii](#) and [webdev77](#) work under the hood and I haven't interacted with them that much.

[Omniscient](#) is like a girl who is on her periods with continuous mood swings so I fear him; to not get my account closed. Haven't interacted with him at all.

TLDR; Xerotic and Vitani are my favourite from Staff/Admin Team.

PS : I hope this isn't LQ Post.

Bacardi Cola Lime - July 10, 2020, 4:37 am

I have already repped you before so I just quickloved the post.

My favorite staff member is [webdev77](#) . He gets the job done successfully and his input on the Computer Overclocking, Customizing, and Hardware section is always valuable.

Artisan - July 10, 2020, 5:35 am

Thank you for organizing a giveaway with such attractive prizes. I quickloved an repped so taking my first entry here.

All of the staff here have amazing personalities and sense of humor. I have also had very little interaction with staff. My current favorite staff member is Vitani.

P.S. Please clarify about multiple entries, whether theyr 1 entry every 24 hours or unlimited per day.

Tor - July 10, 2020, 6:47 am

Quick Loved.

Already repped you in the past. Favorite Staff - Eagle 95

Yin Yang - July 10, 2020, 7:49 am

I would say my favorite are both Omni and Xerotic, they've both done tremendous dev work on the site and you can see the growth with the introduction of bytes- and the integration with it to the various games on HF.

shakur123 - July 10, 2020, 8:22 am

Posting here and quick love to enter i cant rep because im not upgraded.

Good shit on actually reading the post.

ETH - July 11, 2020, 11:21 pm

Another person is [Xerotic](#)

He is really cool and solving issues at when he is available on HF and doing great job for HF

?Dødgygeez - July 12, 2020, 2:33 am

I haven't interacted with many staff members or admins on HF because I haven't really needed to although I would like to :)

I understand they all have their own personalities and I see them around quite often and love reading their posts.

However, I tend to usually only browse the money side of the forum, but I am slowly finding myself browsing the Lounge a lot more and the computer forums.

I must say that [Omniscient](#) would be my favourite admin because I rarely see posts from him but when I do, they are golden. Just following his advice has netted me over \$2000 within 4 months, his advice and knowledge on investments strategies are insane.

Also, I believe [webdev77](#) is a notable mention. His site knowledge is amazing and I always see him keeping HackForums in check across all subforums. Additionally, he has made some useful posts in the investment strategies forums also.

Finally, [Goods](#)! I see your posts here and there. I have not interacted with you but I think I will be seeing more of you and other staff members as I start browsing more of the site. I must thank you for hosting this because I love reading the comments and actually engaging with members through replies. I like expressing my opinion and hearing other peoples views so I am really grateful that

you're hosting this contest.

Stanley - July 14, 2020, 10:28 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Can i take another entry please? Thanks

Cooligan - July 15, 2020, 12:17 pm

I've already repped you, just Quick Loved the post now as well.

My favorite Staff member would obviously be [Omniscient](#) for a couple reasons. One, for keeping HF alive all these years. But more so because we've had some really nice conversations since 2013, I mean he's even responsible for my username being "Cooligan" as he suggested it to me in a PM one day. I'll always be thankful to him for this place, and in a way I owe him a life-long debt seeing HF practically saved my life years ago.

However in terms of genuine helpfulness, [Xerotic](#) is my favorite by far. He's just a really cool and down to earth guy, has always helped me when I needed it, just overall a genuine guy who I'm more than proud to call a friend. Also really chill to talk to in a voice call, he carries a conversation well.

I would absolutely love to meet both Omni and Xero in Vegas for a few drinks sometime. One day. ?

MightyOne - July 15, 2020, 12:37 pm

(Jul 15, 2020 12:17 PM)Cooligan Wrote: [\[CITE\]](#) I've already repped you, just Quick Loved the post now as well.

My favorite Staff member would obviously be [Omniscient](#) for a couple reasons. One, for keeping HF alive all these years. But more so because we've had some really nice conversations since 2013, I mean he's even responsible for my username being "Cooligan" as he suggested it to me in a PM one day. I'll always be thankful to him for this place, and in a way I owe him a life-long debt seeing HF practically saved my life years ago.

However in terms of genuine helpfulness, [Xerotic](#) is my favorite by far. He's just a really cool and down to earth guy, has always helped me when I needed it, just overall a genuine guy who I'm more than proud to call a friend. Also really chill to talk to in a voice call, he carries a conversation well.

I would absolutely love to meet both Omni and Xero in Vegas for a few drinks sometime. One day.
?

Nice man. I'd love to have an HF meetup as well!

Oh man so many have been planned over the years as well whether it was in groups, or even on the public side of the forum.

I know there has been HF meetups in the past, I was just never there to experience them. I've always wondered just how many HF users know each other irl, probably more than one would think.

No worries, not your fault. In the future it might be better to limit it to 1x or 2x a day, but that's up to you.

There's only a few outliers in this thread anyway, so I'm mostly just giving a heads up to them.

I have two favorite Staff members for different reasons; [Xerotic](#) and [Vitani](#)

One is active, professional, and hangs out with members on the regular.

The other is incredibly friendly, every time I see him post he's always in a great mood and very helpful to members.

I hope one of them win something from this!
