crixus - July 10, 2020, 10:31 am

What do you think on that?

?roye - July 10, 2020, 10:32 am

A king should be like batman, not the one we need, but the one we deserve.

rsx - July 10, 2020, 10:41 am

I feel like it would be a rarity for a king to have been humble, as most were born into royalty.

Megatron - July 10, 2020, 10:48 am

I feel like it can happen, but it's very unlikely. Kings are mostly looked at as a supreme person who was somehow a descendant of a god; therefore, they are very likely to have some sort of superiority complex. Kings get to enjoy things that people can't even begin to dream of. It would take a special kind of person to be humble and even deny the amenities kings get to have.

Why tf would they be humble? Flex that title

Artisan - July 10, 2020, 12:04 pm

They can but not at this time and age. To be humble they would have to spend less on luxury, consider everyone their equal and not oppress the poor. Dont know any monarchs that fit this criteria.

Are you humble @OP? Remember that we are all Kings my loves.

I am the complete opposite from humble and this what help me recently on my business productivity life etc.

?ystem - July 11, 2020, 1:30 am

Yes, I believe someone in power can be humble. There's been numerous cases in history where kind and humble people have been granted roles of power or even turned it down, so that takes care of the "If?" scenario. It's exceedingly rare, if you ask me, but it can and does happen.

Beherit - July 11, 2020, 1:40 am

A humble king is a good king.

Method - July 11, 2020, 2:50 am

MightyOne - July 11, 2020, 3:26 am

people dont let money and power affect them.

Skateboard - July 11, 2020, 5:21 am

Sure a king can be humble if they try to.

Astrogen - July 11, 2020, 5:29 am

Yes, but usually they'll change.

Ultras - July 11, 2020, 5:36 am

Can be, yes. Likely to be, no.

If the king is "humble and good" I'm sure the kingdom will fall out into chaos. A king should be kind yet strict and harsh.

A + - July 11, 2020, 5:43 am

Of course. While he would still have to exercise his power his humbleness would play a role in his decisions.

Blockonome - July 11, 2020, 5:46 am

I can tell you right now, if I ever were to become a king, that shit would poison me and I would be a greedy and selfish king.

Yes, that would be effective on his subjects.

If it works then it works. I'm quite humble on my successes I like thanking people who helped me achieve something.

Hero - July 11, 2020, 8:04 am

A king can't be humble. He must be respected for his actions and even feared a little bit.

DeITex - July 11, 2020, 8:14 am

I don't believe it's beyond possibility. Just something they'd probably have to actively pursue and keep checking themselves on. The common king would likely be wealthy and have much at his disposal. When there's the option to be carried across town to dinner and have people see you for your status opposed to walking across town, I'm sure it'd be tempting to choose the latter.
