Thread: [\[RELEASE\] Ifunny username checker.](#)

-Nerotic- - July 11, 2020, 7:03 am

Hey HF Going to release my 1st ever Program made in Python over the course of a day and a half. I'm still new to Python but I think this turned out great!

Its a Username Checker for the Meme site/app Ifunny

<https://ifunny.co/>

[IOS app link](#)

[APK File](#)

Screenshot:

Anyways as always, Quick love is appreciated but not required :)

Hey OP, This looks great! Awesome job! I have sent a PM to you on this!!

EDIT: First off, your .py is clean. Awesome work. Does as advertised!

Maxie - July 11, 2020, 7:36 am

Looks dope man, good job.

Special thanks to you, for helping me fix a problem in the original version.

Skateboard - July 11, 2020, 8:00 am

Looks pretty cool, I'd love to try it out. Thanks in advance OP.

Edit: Found a Ruby egg

Npooja - *July 11, 2020, 10:45 pm*

Looks pretty cool, I'd love to try it out. Thanks

Harley Quinn - *July 14, 2020, 9:01 am*

I'd be interested in looking at this. Thank you

trashy - *August 1, 2020, 10:17 am*

I would like to have this. Could u pm me? So much thanks <3

Ares - *August 2, 2020, 6:15 am*

Would love to get this, thanks bro.
