Thread: [Method to get Runescape Membership cheaper than bonds!](#)

Limitado - July 11, 2020, 1:25 pm

Hey Hackfourms,

Today I would like to share a method which allows players to safely purchase membership codes for their runescape accounts! This is 100% safe and wont get your account ban and 100% whitehat. The method involves purchasing from a secure website.

What makes it cheaper?

Without giving away too much, the exchange rate of currencies is what makes the codes cheaper than buying gold and buying bonds

Packages

16 Days - \$1.82
24 Days - \$2.37
40 Days - \$3.66
48 Days - \$4.40
72 Days - \$6.42
96 Days - \$7.35
144 Days - \$11.95
292 Days - \$22.99

Payment Method
BTC and OSRS Gold

20\$ for the method

If your method is just Awaken's, you probably shouldn't be reselling it claiming it as your own... lol. yes this would be pretty much the same method everyone has used it now the only reason you would use it is to buy membership for yourself as trying to sell codes you wouldn't have luck due to everyone trying to sell some

If I played osrs again I would love to buy my memby off you

Mac - August 2, 2020, 2:18 pm

why did you double the price from \$10 to \$20? lol

Limitado - August 4, 2020, 11:31 am

Online and still selling this method

Didnt feel like selling the method anymore had closed the thread. People pm me and I told them
dont feel like selling method anymore to public then got sold 2 copies for 20\$ so decided if Im going
to sell raise the price and whoever wants to buy at 20\$ they can buy

Warcos - August 4, 2020, 12:39 pm

I have bought the method and it worked fine, I recommend it.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley
