Thread: [Asus Vivobook S14 14" BARGAIN 320 USD | Shipping from Scandinavia](#)

Verdande - July 12, 2020, 12:37 am

Ryzen 3 / 4GB RAM / 256GB SSD FHD Screen
Never used other than for a powerpoint presentation.
2019 model, I paid 699 USD for the laptop.

Sitting in its original box at the moment, ready to be used.

Asking 320\$, I do take offers, but I mostly need the USD in Paypal/BTC*

I also have Louis Vuitton Supreme KO Limited Edition jacket, Black.

Depends on where you live, it's lightweight, so I guess we would estimate how much it would be, and certainly come to an agreement.

Yeah it wouldn't be a problem using a MM, the price however is set due to needing the money asap.
i'm sure a deal can be worked out.
