Thread: [\[SHARE\] Helpful Python Content](#)

Harley Quinn - July 14, 2020, 8:42 am

Hello all,

I hope everyone is staying safe etc during this testing time,

Someone from a python only forum shared this with the community recently and i thought it would be really interesting to share with you guys here, its publically available so i'm not stealing content only sharing it.

Great for beginners and above. Its a collection of 300 interesting snippets of functioning code.

<https://stevepython.wordpress.com/full-python-code-snippets-list/>

Let me know if you found it useful.

Harley

This is a really good find, thanks for the share!

Lindros - July 14, 2020, 2:16 pm

This is pretty cool, thanks for the share.
