I never got banned

(Jul 18, 2020 02:51 PM)Grim Wrote: [\[CITE\]](#) Wait what do we learn in the first pack if we cant cashout? lol not a sales trash just curious looking forward to seeing some vouches either way it does look interesting.

You can cashout you think i will sell you an account that you can't get your money from ? its just i don't show the method i use to cashout safety

Driz - July 19, 2020, 1:45 am

I can take a vouch aswell, but this whole idea of cashing out sounds pretty sus, no offense but if you're looking to get this done via a middleman I can get your discounted copy too.

The problem is not the mm is i Will not wait until you cashout your money to get paid imagine you don't make money for a Month i sell acc but i don't know what and how you will use it

Yin Yang - July 19, 2020, 6:58 am

\$600 per week doesn't seem much, but I'm interested and would like to see some reviews first.

Liliths - July 19, 2020, 7:35 am

(Jul 19, 2020 06:22 AM)Driz Wrote: [\[CITE\]](#) Your advert suggests making 600 a week, most of the people on here who know this stuff make that much in a day. I shouldn't have an issue monetizing it. What about models? Do we get to change the model or just use the one it comes it? That would mean you giving us a pack + the account? You said you'll help us with cashing out, how exactly does it work? You login to the account and cashout or we give you our info?

please delete your message here and send me a pm or telegram if you have any question to not trash my sale

Mark Ronson - July 20, 2020, 10:24 am

Are we supposed to use any pack or will you provide one? Because if you're telling us one can use any pack he wants, that isn't gonna work. I don't want to trash your sale but OF bans those accs these days, if verification and pics do not match

Lextian - August 8, 2020, 1:01 am

Am seriously interested in this but the facts that you won't answer some simple questions is giving me serious doubts about this method, does this come with the pack+video of the model because i know for a fact you cannot use a diff pic as OnlyFan will ban that acc within 48hrs, have tried this so i know what am saying.

the method is fraud. he is same seller as before that got closed for using fraud documents to get onlyfans to verify accounts.

MrKamarJ - August 8, 2020, 5:34 am

Just a tip OP but the questions that are being asked of your product is not sales trashing as I had the same question(s) in mind. You should add the answer to your original post so that way the question can be avoided in future conversations.

Dont tell me to send you pm or telegram msg. This isnt sales trashing im just asking queations and all members should be able to see this and know. If u dont have nothing to hide just answer this

Creative Appz - September 20, 2020, 12:24 pm

I'd also like to know do you provide packs with the \$200 package and what cashout options are available?

Jay - September 21, 2020, 1:45 am

so the \$200 package means that if the account stops working/cashout failures/just problems in general you will fix? and what if in the case that you cannot replace or fix the account?

Yup, my suspicions have been confirmed. He is a scammer. Dispute is here:

Been 8 days, nothing has been delivered and this user also ignores messages and makes up excuses! Pathetic.

Jacton - November 17, 2020, 6:02 pm

really no information about what exactly you are selling here. I dont get it.

You sell a verified OF account and some bundle of pictures and videos of a girl that the buyer will post?

OF is not stupid, they will lock the account and ask for ID of the provided girls. They will hold your earned your money.
