Stanley - May 15, 2022, 7:30 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for

each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I'm not sure if you just completely ignore your customers for 4 months at a time or if you are attempting to make a Low Quality bump. Either way, you should be aware you will be warned for LQ bumping if you attempt to do so.
