Thread: [\[\\$1,000+/WEEKLY\] ==> TinderUltra <== LEARN HOW TO GET 100s of HQ Adds/WEEKLY](#)

telly - July 22, 2020, 4:52 pm

When working on my [BRAND NAME REMOVED] Business I molded and formed my own [BRAND NAME REMOVED] Adds method throughout multiple clients. This method was made by me delicately to provide hundreds of adds daily to my clients and its the method I revolved my business around. Without this method none of my services would have started.

People we're paying me around \$200 WEEKLY for me to provide the adds that this method collects but since I am closing down my business for now, I would like to release my method with limited slots so it does not get saturated.

This method has made my clients THOUSANDS of dollars over the week of their subscription. This method will provide HIGH QUALITY adds at your disposal. When getting good at this method you make your own flow and schedule using this method. I am also updating the method actively and will invite you to my private discord if you have questions or need something done for you, my community will help you!

This method is:

- [X] Quick and Easy
- [X] 5-10 minute setup
- [X] Noob friendly
- [X] A good way to get HQ Adds
- [X] A good stepping stone into [BRAND NAME REMOVED] eWhoring

What I will provide:

- [X] Private Discord Community
- [X] Guidance and Mentorship
- [X] Tips and Tricks
- [X] Method Updates

What this method isn't:

- [X] Time-wasting emulators
- [X] Long and confusing
- [X] Boring setup
- [X] Slow adds method

One day using my method for adds:

Disclaimer:

This method is not an eWhoring method but just a method to get HQ [BRAND NAME REMOVED] Adds

Slots:

Slot 1: \$100

Slot 2: \$100

Slot 3: \$100

Slot 4: \$100

Slot 5: \$100

i would say half and half, my ebook provides the method while i provide guidance if that makes sense.

ie:

i would give answers to your questions and help you out in setting everything up if you don't understand something.

i will also give you tips on SE'ing

I was able to read over the guide provided by [telly](#) on how to gain traffic on [BRAND NAME REMOVED] and I haven't seen this method before.

He worked with me on eWhoring and bringing me traffic, and I'm telling you that this dude knows his stuff! I was gaining over 100+ adds in 30 mins and it was getting overwhelming with the amount of horny dudes that I had to talk to ?

The guide is unique and contains pics that can help you with your settings and such that'll get your account boosted ?

Do know that this is just to add traffic- you're the one who has to sell/convert.

Anyone with little to no experience with eWhoring can also hit him up, he's very responsive and offers great support.

Was given a vouch copy of this method, here is what I have to say about it:

I can clearly tell the seller knows what he's talking about, and the method was great. I haven't seen the method before and I received a nice number of adds once I did it. Cool tips and tricks in the guide too.

Thanks

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
