Do you offer any kind of vouch copy or use and guide of method to make money to pay you for the first copy or so?

His thread clearly states Review copies available: 0 so the I guess he isnt offering any.

To OP: You already said the method can get saturated so keeping vouches and customers low might be the best decision but consider giving atleast 1 vouch copy. It will help you get more sales.

Willing to show any proof ?

heropanda - July 31, 2020, 8:21 pm

If u show any proof. And if you tell what this is about means. It will be great whoever want to purchase. But first people don't know what they are buying. 99.999% will not show interest. Please look over it. Sales thread must be perfect and need to understandable about what your are telling. Now no clarity is there. This is just a suggestion.

mohfed011 - November 20, 2020, 11:40 pm

Jetsetter - December 14, 2020, 4:40 am

You say you can do it four times in one day to earn \$300 and with a \$5 investment. How much time are you spending to complete the four times in a day?
