Thread: [Kendrick's Signature Space | 20+ post a day | 5\\$ a week](#)

SIM-3587630 - July 26, 2020, 9:59 am

As title says.

I make around 20/255+ post a day and these are my stats as of 04/08/20

Spoiler [\(Click to View\)](#)

I'm mostly active in The Lounge and Market section in general.

Pricing is 5\$ BTC weekly, and [500 Bytes on sig.market for 5 days](#). Don't message me saying if I accept Paypal, cashapp, venmo or others, I don't.

I accept every kind of things to put in my signature space, as long as they're within forum rules.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
