does this work in holland?

Vroot - January 3, 2021, 1:24 am

Does UBER ride of yours work in India ? If yes, then can any one person avail 1 x 10 rides or 1 x 20+ rides for \$1 x 10 or \$1 x 20+ buying this referrals or coupons from you ? If yes, can 1 rider ride 20+ rides using 1 mobile phone ?

If all above questions are answered as yes, then I will buy in bulk with HF contract.
