Thread: [Glided Scam Attempt + B-Rating Boosting uid=3092541](#)

Glided (<https://hackforums.net/member.php?action=profile&uid=3092541>) is pretty clearly attempting to scam users.

He has an open dispute from yesterday. I contacted the victim, and although Glided claims it was solved, the victim claims it wasn't.

Anyway, after discovering this, I went and checked out his B-Rating further. Look at this...

He's clearly using a multi or friends account to boost his B-Rating and hide the negatives.

He contacted me asking if I'd be willing to invest \$2000 into his business idea and was very convincing with proofs and so forth. Now, I can clearly tell it's all BS. I also believe this member is breaking the rules by boosting B-Rating like that, so hopefully a staff member sees this.

I see that he already got banned for quite some time so I guess staff noticed it. Thanks for the heads up.

All you had to do was google his discord and you'd find 4-5 accounts on various forums banned for scamming
