Stop getting scammed. This is the best value on HF. Period. Not only that, It's brand new and updated for August 2020.

Multiple unique methods included which, with minimal effort, will provide you with the potential to make an easy extra \$100 a week. Many on here are selling some of my methods for 3x or 5x the price (check the reviews/vouches on my other threads linked above).

If this is your first time on the Sellers Section, it is in your best interest to get my method, and learn the methods so at least if you approach some of the more expensive sellers, you can ask them if the methods that they are selling are the same as mine, which will save you a lot of money.

My methods won't make you rich or replace your job, but for minimal effort, will provide you with an easy secondary income stream which we can all use during this time.

Upgrade to the refund option, and if you don't make your money back within 30 days, I'll give you a full refund. No BS.

Prince™ - July 29, 2020, 12:19 am

These are multiple unique whitehat methods that I came up with on my own for the most part.

Sorry, I am not doing that at this time. Check out my profile/previous threads for vouches

lasercoat - September 10, 2020, 2:05 pm

I'm interested in this but on the second thread you posted (the one with vouches) you said it is \$5 forever. I'd happily like to take a look at it for \$5 without any refund guarantee.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
