I could see this on a shirt, nice work.

Who is the statue of? source please

Reminds me of the statue of David

Thanks for the comment mate! This is a statue on display in the Metropolitan Museum of Art in New York City.

The piece you posted here didn't grab my attention to be honest. I checked your behance though and I really liked your thread designs.

I've done a few a long time ago. Got really into UI Designing two years back - I've been doing only UIs and a few artworks ever since.

Thank you mate. Appreciate it <3

Update: Added another artwork

IGK4L - August 30, 2020, 3:15 pm

that second one hits differently

9/10 very minimal & clean grain

bluud - August 30, 2020, 3:16 pm

Looks clean, the grain adds a nice effect.
