Hey, would you be open to offering a vouch copy? I'm interested in getting involved with e-commerce.

EDIT: Just got back from my camping trip to find this on my listing!

Interested to see how this will affect conversion. @Longdog was quick and professional. Will likely purchase in the future if I get into e-commerce.

Thanks!

Looks good. So boosting views has an influence on ranking?

Definitely does sir. Puts you higher up in the list, lets you sell higher than others and get you next to big box stores in ranking.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
