hey boss,
did you mean to say you tried,canadian amazon ?

try out.....apple store, add card and u can buy GC.

hope it still work @ ur location.

I tried the american amazon, it's still processing i contacted support not much of help. then I tried a bit on the Canadian amazon. it's a decent amount (\$400)

i look up and let you know if i found a better way, what are you looking @ for exchange ?
how many % ?
