Here is my 2nd review:

Since Fortunate made my avatar and I was satisfied, I wanted to change my signature too. Explained him exactly what I wanted, delivery was fast, product high quality and I liked it a lot.

Don't forget that there are size limits on HF. Fortunate knows what he's doing and he'll try the best to make what you want.

Again, 10/10.

I just wanted a pair of glasses on mine with a shine to them.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
