Thread: [Finally got the lounge head award!](#)

?aked - August 2, 2020, 4:29 am

It's been "tough" but not as tough as I thought.

After 500 posts and many conversations with you guys, I met quite a few members.

I will stick around and still be active in the lounge, never thought this would of been a place I spent so much time on but going free this award I ended up developing a love for this section also.

Now going for the hackuman award!

Nima304 - August 2, 2020, 4:32 am

Congratulations! I'm decided to start working on it and Hackuman today, good luck on getting that as well.

Good luck on the next award. Loungehead seemed to be the easiest one, I'm close to QL and the Hackuman one now. After that the green apple is my goal

Dopamine - August 2, 2020, 4:34 am

Congratulations for your award ! :)

You can now flex it with your others one :)

Lorem Ipsum - August 2, 2020, 4:34 am

Congratulations my man!

It suits your profile well <3

I'd get rid of the Ruby egg (lottery) and 4 emerald eggs, than place the award next to the Dicey and before the QL award.

Where do I go to change the position of the awards?

Green apple took me forever to get. I'm working on QL as well, working towards three awards at the same time.

Mind - August 2, 2020, 6:53 am

Congrats mate! I'm planning to go for the lounge head myself :)

solv3nt - August 3, 2020, 8:39 am

Time passes so quickly and you already have an award and this should always be followed by new

ones. That should be the goal for yourself.

1. No bragging about any HF stats such as reps, posts, awards or thread views.

Rule #1

1. No bragging about any HF stats such as reps, posts, awards or thread views.

Gratz tho, I'm going for it now tbh since I'll be on my pc working all day everyday anyways.

Or you just stalked my profile, seen my threads? Either way thank you for the warning, I'll be sure to not post again about this.

Glare - August 11, 2020, 2:21 pm

Congratz, I've been going for the dice award but never have any luck.

racooneeweewesucker69 - August 11, 2020, 2:22 pm

Gratz on the awards, wonder if there is any way to check how many post I have in the lounge.

SIM-1232764 - August 11, 2020, 2:26 pm

Congrats...nice, i'm almost at 60% now.

racoonweeweessucker69 Wrote: [\[CITE\]](#) Gratz on the awards, wonder if there is any way to check how many post I have in the lounge.You see the % then do the maths and you'll have an idea of how many posts you have.

0% = 0 posts made
5% = 25 posts made
10% = 50 posts made
15% = 75 posts made
25% = 125 posts made
50% = 250 posts made
60% = 300 posts made
75% = 375 posts made
90% = 450 posts made
100% = you've made it.

You get the picture ? 1% is 5 posts so it isn't hard to know roughly how many posts you have and how many posts you need.

kamikaze7 - August 11, 2020, 8:01 pm

That's a lot of chatting, congrats.

I guess that's the easiest award to chase :D
