(Aug 3, 2020 08:17 AM)Doubt Wrote: [\[CITE\]](#) Don't like them personally, but dragon ball z and neon genesis evangelion are highly praised and definitely two of the most well-known anime to western audiences. My personal favourite is most certainly Cowboy Bebop, but you've already seen it. TIL Dragon Ball Z was made in 1989.

What about [GTO?](#) Released 1999 so bordering on 80s/90s anime. Banger of an anime though.

Mobile Fighter G Gundam

Mobile Suit Gundam 0080: War in the Pocket

Berserk (1997)

The triple westerns: Cowboy Bebop, Outlaw Star, Trigun

Top wa Nerae! Gunbuster

Kaze no Tani no Nausicaä

Yokohama Kaidashi Kikou

badgerz123 - August 5, 2020, 10:46 pm

Evangelion and the movie the end of evangelion are both a must watch.

Revolutionary Girl Utena is more romance and sword fighting but is worth the watch.

purloiner - August 6, 2020, 6:17 am

Naruto is my favorite anime, and you can't tell me otherwise.

Great Teacher Onizuka. Extremely underrated.

Evangelion is also spectacular. Too good not to mention.
