In need just for 2 or 3 fellow black hats, to spread some malware and do other illegal shit ;)

I ain't paying for anything just want some people to fuck around with and earn some \$ DM ME on Discord, Morpheus#5339

Add me and type in this combination or copy and paste it to me 15w260951400. the only Reason i want you to do this is because i get spamed alot and added so just add me and dm my that and we can talk.

You will only get kids with this,

No real black hat would work with you if there is no money.
