What do you cook? Or do you have a girlfriend who cooks for you hahah

MarvinMalware - August 4, 2020, 6:28 pm

I can't cook I suck at it, my girlfriends always making us food.?

Lyrarei - August 4, 2020, 6:29 pm

I do like to cook, not great at it but I'm slowly improving over time, right now I mostly cook chicken soup with some garlic. I've also tried doing home made pasta due to some youtube vids, but I'm fucking shit at it, for now.

Verdande - August 4, 2020, 6:31 pm

I personally love cooking, and I love to experiment with spices. I have a sub-degree as a nutrition-specialist, so I am always very aware of what goes with what.

I aspire to be at this level one day. ? I play too safe with ingredients so I usually only make simple dishes.

I also put together simple dishes, in 10 minut or less I can put together a quite simple meal that looks like a lot of work.

Establishing a routine with cooking is important, as half of the chore is washing everything afterwards, and some people

do this AFTER the meal. I always put together my food on a hot plate, put it in the oven for about 5 minute while I clean up,

this also gives the food an even temprature.

Also, a trick my grandmother taught me, is that the food can be room temperature (potatoes, meat, vegetables etc),

as long as the sauce is hot, as it will utilize the warmth with an enriched taste.

Free Kurdistan - August 4, 2020, 6:47 pm

I like to cook and explore new taste and just get more experience with time.

Yanix - August 4, 2020, 9:21 pm

My wife and my kids always wanted me to cook for them and I am so happy they always wanted to eat what I served for them :D

Deany - August 4, 2020, 9:23 pm

Only frozen popcorn chicken and lasagna :D

littleblueguy24 - August 4, 2020, 9:23 pm

Yep. Cooking is awesome. Search YouTube for simple recipes and just get familiar with a basic kitchen setup

.

Nima304 - August 4, 2020, 10:09 pm

I like to cook, but only if I hang out with someone while I'm doing it. I also don't like cooking small quantities of food, so really there have to be more people involved for me to bother.

Lasagna from scratch is obviously better, but I buy frozen. Takes 50 minutes in oven to make XD

eXceptional - August 5, 2020, 12:32 am

I now have a wife who cooks for me. I used to cook before I got married.

jecoylecroy - August 5, 2020, 1:28 am

Exalted - August 5, 2020, 1:38 am

jecoylec - August 5, 2020, 1:46 am

When not busy, and when I earn a lot of bytes in flip. I lost 1k, Im not in good conditions rightnow.

Vitello - August 5, 2020, 1:50 am

I love to cook! In our home, the kitchen is MY place!

I really enjoy cooking, and I feel very relaxed when I'm doing it. :)

Sometimes I have a tendency to become a little too perfectionist, and if the dish or my cooking skills doesn't live up to my own expectations, then I get a little disappointed, lol.

Artisan - August 5, 2020, 1:56 am

I can cook almost anything except oriental cuisine. Most foods have the same methods of preparation. You just gotta be confident and patient while cooking, as in, not walkout of the kitchen every 5 minutes and know that whatever shit you cook, its not the end of the world.

BiggL - August 5, 2020, 1:58 am

I enjoy cooking - try making yourself a Eggs Benedict with Hollandaise sauce if you like breakfasts - ONE OF MY FAVOURITES.

PAXFun - August 5, 2020, 3:00 am

I can't cook, i'm just bad at it, my gf saving us?

Dopamine - August 5, 2020, 3:20 am

My ex-gf was a cook goddess. Since we broke it's usually Kraft Dinner and chill lol

SIM-4772474 - August 5, 2020, 3:24 am

Everything I cook turns out to be delicious, and anyone asks me to cook it again.. weird thing that some dishes was first time I've ever made and was satisfying to all.

Blockonome - August 5, 2020, 3:29 am

I literally just cooked an omelet and toasted some bread, does that count? :D

Exposed74 - August 5, 2020, 3:44 am

i'm quite a good cook, but quite often too lazy if it's only for myself. But really enjoy cooking when it's for others

V?rt - August 5, 2020, 6:36 am

I love to cook, although I don't have much time to ever do it. Normally my wife cooks on the weekdays and I cook on the weekends. It works better that way because of timing.

Vibe - August 5, 2020, 6:38 am

I don't cook often but I do enjoy it when I do. Mostly meats and deserts

Freak_OG - August 5, 2020, 6:39 am

All sounds very good to me m8

i once cooked fried chickens for my friends . they loved it more than kfc :) they even payed me money to cook for them

A + - August 10, 2020, 8:11 am

I love to cook. I cook a lot of basic stuff like grilled chicken, steak, shrimp, fish etc., then make

different dishes out of it. My go to since I'm lazy is throwing stuff in a burrito, quesadilla or something. I usually make some kind of sauce to go with it as well.

Inversed - August 10, 2020, 10:00 am

I personally hate cooking It's just annoying and when it comes to food I hate waiting lol. Although I'm pretty good at cooking but never enjoyed doing it.

Azythum - August 10, 2020, 10:16 am

I don't cook at all at the moment, but I used to cook chicken with tarragon when I was a kid.

SIM-3587630 - August 10, 2020, 10:19 am

I tried cooking myself, especially during the lockdown. Not even near to a good cook, but I did finally learn some basic recipes

MightyOne - August 10, 2020, 3:22 pm

My lady cooks the best food ever! but I also really like to cook, I make pasta's, meat, veggies and everything that's needed to have a good meal :)

Method - August 10, 2020, 3:47 pm

I love cooking tbh, when I lived alone I was cooking every day/night. I've always enjoyed cooking, especially the trial and error with complex dishes.

SIM-1232764 - August 10, 2020, 6:22 pm
