Thread: [What's your favourite sport?](#)

PAXFun - August 5, 2020, 5:06 am

Do you have any that you love to play/watch?

For me boxing is best, for both options.

Exposed74 - August 5, 2020, 5:12 am

I hate watching most sports unless its a big event, kinda enjoy rowing

V?rt - August 5, 2020, 5:23 am

I would have to say my top 3 favorite sports to watch would be basketball, boxing, and hockey. Other than those 3 I don't really watch much. I actually only keep up with basketball a lot, I just watch boxing when it's a well known fight. Or I only watch hockey when it's a team I like that's playing. Other than that, I don't watch many other sports, I'm just not a fan of them.

Yin Yang - August 5, 2020, 5:36 am

NBA and NFL are my main sports.

Vitello - August 5, 2020, 5:46 am

I actually enjoy all kinds of sports. I don't think that you can mention one sport that I wouldn't enjoy watching.

Soccer is my all time favorite though :)

dumbledore - August 5, 2020, 5:58 am

I like playing any sport, but my favorite is soccer. I also rarely watch any other sport other than soccer

Nima304 - August 7, 2020, 12:20 am

I don't really watch sports too often, but when I do, any FPS/RTS eSports will do. Generally competitive CS:GO.

Injun Joe - August 7, 2020, 1:58 am

I used to play table tennis in my youths, no sports now, I don't watch either.

purloiner - August 7, 2020, 9:01 am

Tennis. You are playing 1 on 1 , a fight of endurance, who will force the other into exhaustion.

MarvinMalware - August 7, 2020, 9:06 am

I love watching MMA however I've never tried it in a sports like matter, I've boxed but I don't know how I'd do with kicks and being on the ground. Ultimate respect to fighting sports they're some intense athletes. My second favorite would be football (American).

racoonweeweesucker69 - August 7, 2020, 9:08 am

Probably athletics, the sprints 100 and 200 are always cool to watch.

jaded7 - August 7, 2020, 11:15 am

Favorite sport is tennis because once you get going, the game heats up and becomes more intense the longer you play.

Artisan - August 9, 2020, 4:46 pm

Football (please dont call it soccer). Its the most played and most watched game on the planet and I love it over any other sport.
