the video seems down.
will there be a reupload for it

Have you considered the following:
1. Hacking without permission is illegal (you don't own thw computers)
2. We don't allow questions about illegal hacking on this website

1. Do you know what the RAT section is all about? Most people here don't use RATs legally, so don't even bring that up.
2. LMAO, you are clearly new here.
