"The affidavit in support of the search warrant is sealed and we are, therefore, prohibited from commenting as to the nature of the investigation,"

Don't think we'll know unless he comes out and says why

I don't know the Paul family seems very dirty to be honest.

Wasn't there something about Jake and Logan having his father make out with minors before?.

What a moron, holding a huge party amongst the virus outbreak in cali and not giving a shit about it.

Hopefully he catches carona virus and has to make a video from the ICU about how sorry he is.

So he was raided/arrested for protesting and probably a lot of property damage. Serves him right. Never liked the guy anyways.

Good, fuck Jake Paul. The dude is an idiot.

Why you all here wishing bad on him? Like he's just a content creator, don't like his content don't watch it. I've never watched a Logan Paul video.

New update is this may be related to rape charges filed against someone in Cloud10(or some shit).

Story is this person would request girls come over and have sex to join Cloud10? Jake Paul has knowledge that this was happening, a police report was filed Saturday.
