Thread: [My complete 156 award history - All award deals, donations, and more! \\$15,000+](#)

Lavish Living - August 6, 2020, 7:06 am

Inspired by [Goods](#)

1st award - My first ever award on 03-26-2018, 08:23 PM from posting. [Free]

2nd award - I got the next 5 awards at the same time, when Omni held a sale for unlimited Weed plants at \$25 ea. I planned out a cool little layout, and donated for them. 04-20-2018, 12:29 PM [\$25]

3rd award - 04-20-2018, 08:06 PM [\$20]

4th award - 04-20-2018, 08:06 PM [\$25]

5th award - 04-20-2018, 08:53 PM [\$25]

6th award - 04-20-2018, 08:54 PM [\$25]

First legitimate, planned row completed 04/20/18

7th award - 07-06-2018, 10:45 AM, start of my next row... gotta start somewhere. Was the 3rd person to cop one of these [\$25]

8th award - 07-06-2018, 07:23 PM, knew I was going to want a white/black theme row so I copped this dono award. [\$50]

9th award - So then I finished this row with 4 more awards from a \$1000 custom donation on 07-10-2018, 09:47 AM. I wanted this 3rd column to be all diamonds, and I knew I shouldn't ask for a white diamond just yet so I got a red diamond. But you can see that Omni eventually changed this red diamond into the white diamond later on. [\$500]

10th award - 07-10-2018, 09:48 AM, These next 3 came as a package. I am the first and only user with multiple Rich Bitches. To go with the x3 marijuana leaves, was my thought process. So it was worth the \$500 premium. [\$250]

11th award 07-10-2018, 09:48 AM [\$25]

12th award 07-10-2018, 09:48 AM [\$250]

Second legitimate, planned row completed 07/10/18

13th award 07-10-2018, 09:49 AM, I got the next 6 at the same time as the last row because I had already decided I wanted my 3rd row to be black themed. This row alone was pricey, for the sake of privacy I will just put \$1000+ whenever I made a sizable donation for a bundle of awards. It's always up to Omni's discretion on how much he charges for awards, so don't consider the deals I got a presidency. [\$1000+]

14th award 07-10-2018, 09:49 AM [Blk row deal]

15th award - Since r00t wasn't officially released yet, I had to wait 9 days to get the rest of my awards on 07-19-2018, 10:59 PM. It was worth the wait. You'll see now that the DOH was replaced with the ub3r sapphire since Omni converted all r00t into ub3rs a year or so ago. But I was the first r00t member, and got the rest of the black row after the release of r00t.

<https://twitter.com/HFWrit3rs/status/1020186584388440064> [Blk row deal]

16th award 07-19-2018, 11:00 PM [Blk row deal]

17th award 07-19-2018, 11:00 PM (you'll notice this one is gone - I sold it in the award market).

[Blk row deal]

18th award 07-19-2018, 11:01 PM [Blk row deal]

Third legitimate, planned row completed 07/19/18

19th award About 2 weeks after I made the sizeable donation for the black row, I decided to donate for my 4th row on 07-23-2018, 10:37 PM. This one I went will all red (we were running out of colors now seeing as diamonds were limited and I knew my entire 3rd column would be only diamonds). I am still only 1 of 2 with a gift award from Omni, this was another pricey donation (it came with a nice 10-100k bytes bonus roll). [\$1000+] <https://prnt.sc/tutb4f>

20th award 07-23-2018, 10:37 PM - I am the only user with multiple Dicey awards. Again, I just chose an award that I thought Omni wouldn't mind me having multiples, to match my x3 column repeat theme. [Red row deal]

21st award 07-23-2018, 10:38 PM - This was my 2nd MD award within a month lol. I dropped bank on awards in July 2018... [Red row deal]

22nd award 07-23-2018, 10:38 PM [Red row deal]

23rd award 07-23-2018, 10:38 PM [Red row deal]

24th award 07-23-2018, 10:38 PM - You won 47491 Bytes, pretty nice bonus for this award bundle. Fourth legitimate, planned row completed 07/23/18

25th award So I took about a month off from large donation deals for awards, but at the end of August I decided to make the biggest deal yet on 08-31-2018, 12:18 PM. Obviously the purple row would be the most expensive seeing as the Grand Amethyst is a \$1,000 donation alone. This was also when I got the red diamond replaced with a white one in my 2nd row. [\$2500+]

<https://prnt.sc/tuthht>

26th award I was also the first person to have any purple gifts, let alone 3, about a year before their actual release. 08-31-2018, 12:20 PM. I later sold 1 for about \$300 when the award market opened and then swapped one for a dstat. [Purp row deal]

27th award 08-31-2018, 12:19 PM [Purp row deal]

28th award 08-31-2018, 12:19 PM [Purp row deal]

29th award 08-31-2018, 12:20 PM [Purp row deal]

30th award 08-31-2018, 12:20 PM [Purp row deal]

Fifth legitimate, planned row completed 08/31/18

I was happy with my 5 rows. I had one, if not the best, award layouts. Comparable to the likes of Steve's. There was no other diamonds available for me to obtain, since I was perm denied from ub3r and no r00ts were able to get ub3r, I had no plans of getting more awards after this set of 30. Until November 2018, with two BIG releases.

Award sorting - <https://hackforums.net/showthread.php?tid=5905145>

Award market - <https://hackforums.net/showthread.php?tid=5905569>

With the release of these two, I had to fucking capitalize. And that I did... I have gone through some contracts and will list some of the deals I made. I made ALOT. Both buying and selling!

Deal #1 - [Mr. Robot](#) on 11-19-2018, 01:45 PM. 14 awards for \$700 @

<https://hackforums.net/showthread.php?tid=5906169> . Great deal, love the blackhatter and spy awards woulda paid \$700 for them alone.

Spoiler ([Click to View](#))

Deal #2 - [luke](#) on 11-19-2018, 02:59 PM. Did some trading. Throughout the first few months I gave any brony award I collected to Stratify (now known as luke) because I really didn't like that award and he wanted a full row of them and also traded him Stratify awards since his username at the time was Stratify.

Spoiler ([Click to View](#))

+ for lukes + + \$35

Deal #3 - [Redwall](#) on 11-19-2018, 03:57 PM. 8 awards for \$350 @ <https://hackforums.net/showthread.php?tid=5909696> . Luke paid \$105 for brony and hackercraft, I got the other 6 for \$245. Kinda pricey tbh...

Deal #19 - [Riot](#) on 03-03-2019, 06:47 AM. My 23 awards for his \$600. By far my biggest regret. I f*cking WISH I kept all these awards man... it's something to note as well that he had to spend \$230 on bytes for the award transfer fees lol.

Spoiler ([Click to View](#))

Deal #20 - [iNviZ](#) on 04-30-2019, 07:36 PM. My FPS Gawd for his \$60. Awards really crashed and I guess I was desperate for cash around this time...

Spoiler ([Click to View](#))

Deal #21 - [BTC](#) on 05-09-2019, 09:33 PM. My Blackhatter for his \$100. Even though I bought this for \$100... I really wish I kept it. Black hatters are so cool and worth so much more than \$100.

Spoiler ([Click to View](#))

Deal #22 - [Money-](#) on 06-14-2019, 06:25 AM. My Blackhatter for his \$125. Ugh... wish I kept both these awards so then I'd still have x3 bhers.

Spoiler ([Click to View](#))

Deal #23 - [Honey Singh](#) on 06-18-2019, 09:33 PM. My White Hat Helper Wings for his \$100. My fattest L. These wings are worth soooooo much more than \$100... I didn't care much about awards during this point in time and just wanted to be done with them. Also the award market was closing around here.

Spoiler ([Click to View](#))

That concludes all my deals using the award market, until it was indefinitely closed on July 1st, 2019. <https://hackforums.net/showthread.php?tid=5983341>

I had so many different layouts from Nov 2018 - June 2019... here is my award layout thread: <https://hackforums.net/showthread.php?tid=5913729>

Okay so that brings us to the rest of my awards that do not say "xxx bestows xxx" (only 12 of my current awards are a result of the awards market!)

31st award 11-28-2018, 09:43 PM [\$100] - started copping stars while growing my award collection
32nd award 01-22-2019, 08:15 PM [\$50]
33rd award 01-22-2019, 08:16 PM [\$75]
34th award 03-27-2019, 12:19 PM - technically this was the day Omni deleted r00t, and I finally acquired the blue diamond. <https://hackforums.net/showthread.php?tid=5953786>

35th award 07-04-2019, 12:34 PM - award goals were released
<https://hackforums.net/showthread.php?tid=5986499>

36th award 07-04-2019, 12:39 PM

37th award 08-15-2019, 07:51 PM - The next 4 awards I got when I acquired ownership of Gamblers group. The sole reason I wanted a group was to have a pink username. But Omni wanted a fucking PREMIUM for the pink... so he charged me \$1500. I had him include the omni head, and x3 MM's (3rd person to acquire omni face award). I woulda been willing to pay ~\$500 for this set of 4 awards though so we'll count this deal as \$500 for the awards and \$1000 for the pink username clout (rumor has it other groups only paid \$300 for custom color lol). [\$500].

38th award 08-15-2019, 07:53 PM. x3 MM's to match my x3 Rich Bitches. [Pink username deal]

39th award 08-15-2019, 07:53 PM [Pink username deal]

40th award 08-15-2019, 07:53 PM [Pink username deal]

41st award 10-03-2019, 01:42 PM - First person to bet 100k bytes on sportsbook. I got this award from these bets: Spoiler ([Click to View](#)). So yeah... this ended up being a VERY pricey award strictly because Cheifs f*cking CHOKED.

42nd award 11-01-2019, 03:47 PM - I remember when this was a \$1k dono award... yet it's listed for only \$200 now. Good thing I didn't exactly donate directly for this one. I did however drop \$1,000 on scratchcards during the 2019 Halloween BOGO sale which I ended up losing 100% of the bytes on sportsbook. I did pull a 250k win from one of these cards though, then lost it on a 250,000 sportsbook bet.

Spoiler ([Click to View](#))

43rd award 11-01-2019, 06:54 PM - One of the very few awards Omni randomly awarded me... the jokester. For my post here -

<https://hackforums.net/showthread.php?tid=6021005&pid=59108224#pid59108224>

44th award - Okay so it had been a while since I had done a big custom donation to Omni, and I had some award rows I wanted to finish so I made this deal for 9 awards on 11-07-2019, 09:53 PM. There were many stipulations but pretty much it cost [\$1000+]. I got enough awards to finish a blue row and an animal row.

45th award 11-07-2019, 09:54 PM [Blue row deal]

46th award 11-07-2019, 09:54 PM [Blue row deal]

47th award 11-07-2019, 09:55 PM [Blue row deal]

48th award 11-07-2019, 09:55 PM [Animal row deal]

49th award 11-07-2019, 09:55 PM [Animal row deal]

50th award 11-07-2019, 09:56 PM. Since I basically completed the stars, I was also granted this CD. Very nice award.

51st award 11-07-2019, 10:17 PM. I asked Omni to swap my green clover for a green box since this fit with my box column very nicely.

52nd award 11-07-2019, 09:44 PM. Part of this big 9 award deal was that Omni would delete one of my FPS gawds (I had two at the time), and then replace one with a new caption.

53rd award 12-02-2019, 09:08 PM. Just so no one gets butthurt, let's just say we checked in successfully for 100 days in a row to earn this.

Spoiler ([Click to View](#))

54th award 12-02-2019, 09:24 PM. Cyber Monday deals. More BOGO scratchers that I lost hundreds on lol, spent \$500 and lost all the bytes. I didn't blink another 250k pull, but I did score a 100k and a few 50ks from the 10 cards I scratched.

<https://hackforums.net/showthread.php?tid=6029824>

Spoiler ([Click to View](#))

55th award - So if you read all my award deals, you'll see at #19 I sold 20 crypto awards for pretty cheap. Sometime in mid 2019 I also had Omni delete 6 XMR awards and my drunk award... I regret all this. Anywho, Omni opened back up sales for all altcoins one last time and since I was missing most of them, I decided to get them all. This took a while to get all the specific coins lol and I had to use 3 different exchanges. This all happened on 01-20-2020, 11:48 AM. In total after all the exchanging fees and everything, I think it's safe to say these 13 altcoin awards cost around [\$350].

<https://hackforums.net/showthread.php?tid=6042137>

56th award This was the only award I had someone else donate the altcoin for me and I gave \$28 btc (for their \$25 DIVI). 01-20-2020, 11:53 AM [Alt coin bundle]

57th award 01-20-2020, 11:56 AM [Alt coin bundle]

58th award 01-20-2020, 12:00 PM [Alt coin bundle]

59th award 01-20-2020, 12:03 PM [Alt coin bundle]

60th award 01-20-2020, 01:00 PM [Alt coin bundle]

61st award 01-20-2020, 01:04 PM [Alt coin bundle]

62nd award 01-20-2020, 01:09 PM [Alt coin bundle]

63rd award 01-20-2020, 01:18 PM [Alt coin bundle]

64th award 01-20-2020, 06:29 PM [Alt coin bundle]

65th award 01-21-2020, 08:52 PM [Alt coin bundle]

66th award 01-21-2020, 09:19 PM [Alt coin bundle]

67th award 01-22-2020, 09:57 AM [Alt coin bundle]

68th award F*ck no I didn't make 5 blog posts for this award goal. I just made a custom dono for it on 01-22-2020, 09:57 AM. I needed these last 2 gold/yellow awards to finish my gold row. Well worth it. [\$170].

69th award 01-22-2020, 09:57 AM [\$170]. Spoiler ([Click to View](#))

70th award 01-22-2020, 09:59 AM. Omni was gracious enough to swap one of my extra purple gifts for this DSTAT award.

71st award 01-25-2020, 04:08 PM. First annual Gambler official award. Unfortunately the tournaments didn't get as much attention and participation as I wanted... but they were fun and I like having custom awards enough for me to want to do something like this every year. Grats to the 6 people who will forever hold the only 9 Diamond of Gambler awards in the history of HF. Exact price won't be provided but... [\$1000+].

72nd award 03-16-2020, 12:01 PM. Second person on the list for this award :) (I always shoot for top 3 on every new award). Fck Covid-19 [\$50].

<https://hackforums.net/showthread.php?tid=6057524>

73rd award 03-24-2020, 10:28 PM. Shoutout [Instagram](#) for this award. He gifted it to me lol

74th award 04-08-2020, 12:44 PM. Gotta support my man [Instagram](#) and cop one of his limited edition Monopoly head awards. Dope award. [\$225].

75th award 04-21-2020, 10:21 AM - \$50 4/20/20 sale... not entirely sure why I dropped \$650 on this day but it was cool to have all these awards + 13 egg awards. I ended up getting 7 blue eggs

which was nice and useful to get my HUM award goal. You can see from the time slots that I originally only got 3 so then I'd have a full row of marijuana leaves (I had 3 from 2018 sale which those only cost \$25 ea smh). But then I bought 6 more lol... then I got the last 4 because I thought of some cool award layouts that would require 16 pot plants. [\$50].

76th award 04-21-2020, 10:21 AM [\$50].

77th award 04-21-2020, 10:21 AM [\$50].

78th award 04-21-2020, 10:33 AM [\$50].

79th award 04-21-2020, 10:33 AM [\$50].

80th award 04-21-2020, 10:33 AM [\$50].

81st award 04-21-2020, 10:33 AM [\$50].

82nd award 04-21-2020, 10:33 AM [\$50].

83rd award 04-21-2020, 10:33 AM [\$50].

84th award 04-21-2020, 11:32 AM [\$50].

85th award 04-21-2020, 11:32 AM [\$50].

86th award 04-21-2020, 11:32 AM [\$50].

87th award 04-21-2020, 11:42 AM [\$50].

88th award 04-21-2020, 11:53 AM. I didn't really want this, except at this point I was just going for as many awards as possible. Got Omni to just grant this award to me for free since I just dropped \$650 on the marijuana leafs lol

89th award 04-30-2020, 07:39 PM. Used the blue eggs I got from the 4/20 sale to get 50 kills. Ez.

90th award 05-05-2020, 02:22 PM. Bought one, got the other from the youtube video. [\$50].

102nd award 01-26-2021 02:26 PM. I really missed my wings that I sold to [Honey Singh](#) , plus they look really nice rn since I am using a wings userbar. Private donation... won't give the exact amount but definitely more than I sold my wings for back in 2019. [\$XXX]

Trappy - August 6, 2020, 7:12 am

Good read and nice to see you back. I remember when you wanted to dump all your awards for \$1.5k~, glad you didn't.

bluud - August 6, 2020, 7:14 am

Was an interesting read. You have quite the collection!

?aked - August 6, 2020, 7:20 am

Wow what a collection and a very expensive one at that.

vyactor - August 6, 2020, 7:24 am

There comes another interesting read. I'll see if I'd be going through each lines.
It was a good idea from Goods though, XD.

OBAMASELF - August 6, 2020, 7:41 am

The day I joined HF your account stands out the most tbh.
P.s I could buy a house with the amount of money you spend on awards lol

Nima304 - August 6, 2020, 7:45 am

That's a really expensive collection. Why spend all of that money on awards? I get buying a few (I've bought a few in the past, clearly), but that's a fucking lot.

Demize - August 6, 2020, 7:53 am

I'm actually surprised the amount and thought that went into your awards, I always thought you just bought them all randomly and didn't really think you had a specific way you wanted them.

V?rt - August 6, 2020, 7:59 am

Absolutely nuts. I'm pretty bummed I took a vacation while the awards market was up. I missed out on all of it.

MarvinMalware - August 6, 2020, 8:44 am

It's just so damn beautiful.

Xen - August 6, 2020, 8:56 am

Love the dedication I appreciate it immensely.

Congratulations on where you've come with your awards.

01001 - August 6, 2020, 9:02 am

You've been an active donator. Besides, you should go for Love Bytes Award as well. I'm sure my little donation isn't much, but definitely help you to get closer to that award. Have a great day ahead buddy!

Yin Yang - August 6, 2020, 9:03 am

Insane list right here!

Did you ever get MoTM yet?

Vitello - August 6, 2020, 9:11 am

Did you ever get MoTM yet? No. I pushed for it the first or second month it was released, and was definitely the top 3 in the popularity race but got hit with a 1 week ban for calling a mod a dick in the pms. lol

Geass - August 6, 2020, 10:11 am

Amazing how much awards you have exchange/got/sold.

Whole thread full story.

Artisan - August 6, 2020, 10:50 am

Some might say you spent a whole lot on pixels but I think its worth the money considering you got the cash for it plus the awards give your profile an MVP kinda vibe.

1st award - My first ever award on 03-26-2018, 08:23 PM from posting. [Free]

2nd award - I got the next 5 awards at the same time, when Omni held a sale for unlimited Weed plants at \$25 ea. I planned out a cool little layout, and donated for them. 04-20-2018, 12:29 PM
[\$25]

3rd award - 04-20-2018, 08:06 PM [\$20]

4th award - 04-20-2018, 08:06 PM [\$25]

5th award - 04-20-2018, 08:53 PM [\$25]

6th award - 04-20-2018, 08:54 PM [\$25]

First legitimate, planned row completed 04/20/18

7th award - 07-06-2018, 10:45 AM, start of my next row... gotta start somewhere. Was the 3rd person to cop one of these [\$25]

8th award - 07-06-2018, 07:23 PM, knew I was going to want a white/black theme row so I copped this dono award. [\$50]

9th award - So then I finished this row with 4 more awards from a \$1000 custom donation on 07-10-2018, 09:47 AM. I wanted this 3rd column to be all diamonds, and I knew I shouldn't ask for a white diamond just yet so I got a red diamond. But you can see that Omni eventually changed this

red diamond into the white diamond later on. [\$500]

10th award - 07-10-2018, 09:48 AM, These next 3 came as a package. I am the first and only user with multiple Rich Bitches. To go with the x3 marijuana leaves, was my thought process. So it was worth the \$500 premium. [\$250]

11th award 07-10-2018, 09:48 AM [\$25]

12th award 07-10-2018, 09:48 AM [\$250]

Second legitimate, planned row completed 07/10/18

13th award 07-10-2018, 09:49 AM, I got the next 6 at the same time as the last row because I had already decided I wanted my 3rd row to be black themed. This row alone was pricey, for the sake of privacy I will just put \$1000+ whenever I made a sizable donation for a bundle of awards. It's always up to Omni's discretion on how much he charges for awards, so don't consider the deals I got a presidency. [\$1000+]

14th award 07-10-2018, 09:49 AM [Blk row deal]

15th award - Since r00t wasn't officially released yet, I had to wait 9 days to get the rest of my awards on 07-19-2018, 10:59 PM. It was worth the wait. You'll see now that the DOH was replaced with the ub3r sapphire since Omni converted all r00t into ub3rs a year or so ago. But I was the first r00t member, and got the rest of the black row after the release of r00t.

<https://twitter.com/HFWrit3rs/status/1020186584388440064> [Blk row deal]

16th award 07-19-2018, 11:00 PM [Blk row deal]

17th award 07-19-2018, 11:00 PM (you'll notice this one is gone - I sold it in the award market). [Blk row deal]

18th award 07-19-2018, 11:01 PM [Blk row deal]

Third legitimate, planned row completed 07/19/18

19th award About 2 weeks after I made the sizeable donation for the black row, I decided to donate for my 4th row on 07-23-2018, 10:37 PM. This one I went will all red (we were running out of colors now seeing as diamonds were limited and I knew my entire 3rd column would be only diamonds). I am still only 1 of 2 with a gift award from Omni, this was another pricey donation (it came with a nice 10-100k bytes bonus roll). [\$1000+] <https://prnt.sc/tutb4f>

20th award 07-23-2018, 10:37 PM - I am the only user with multiple Dicey awards. Again, I just chose an award that I thought Omni wouldn't mind me having multiples, to match my x3 column repeat theme. [Red row deal]

21st award 07-23-2018, 10:38 PM - This was my 2nd MD award within a month lol. I dropped bank on awards in July 2018... [Red row deal]

22nd award 07-23-2018, 10:38 PM [Red row deal]

23rd award 07-23-2018, 10:38 PM [Red row deal]

24th award 07-23-2018, 10:38 PM - You won 47491 Bytes, pretty nice bonus for this award bundle. Fourth legitimate, planned row completed 07/23/18

25th award So I took about a month off from large donation deals for awards, but at the end of August I decided to make the biggest deal yet on 08-31-2018, 12:18 PM. Obviously the purple row would be the most expensive seeing as the Grand Amethyst is a \$1,000 donation alone. This was also when I got the red diamond replaced with a white one in my 2nd row. [\$2500+]

<https://prnt.sc/tuthht>

26th award I was also the first person to have any purple gifts, let alone 3, about a year before their actual release. 08-31-2018, 12:20 PM. I later sold 1 for about \$300 when the award market opened

and then swapped one for a dstat. [Purp row deal]
27th award 08-31-2018, 12:19 PM [Purp row deal]
28th award 08-31-2018, 12:19 PM [Purp row deal]
29th award 08-31-2018, 12:20 PM [Purp row deal]
30th award 08-31-2018, 12:20 PM [Purp row deal]
Fifth legitimate, planned row completed 08/31/18

I was happy with my 5 rows. I had one, if not the best, award layouts. Comparable to the likes of Steve's. There was no other diamonds available for me to obtain, since I was perm denied from ub3r and no r00ts were able to get ub3r, I had no plans of getting more awards after this set of 30. Until November 2018, with two BIG releases.

Deal #20 - [iNviZ](#) on 04-30-2019, 07:36 PM. My FPS Gawd for his \$60. Awards really crashed and I guess I was desperate for cash around this time...
Spoiler ([Click to View](#))

Deal #21 - [BTC](#) on 05-09-2019, 09:33 PM. My Blackhatter for his \$100. Even though I bought this for \$100... I really wish I kept it. Black hatters are so cool and worth so much more than \$100.
Spoiler ([Click to View](#))

Deal #22 - [Money-](#) on 06-14-2019, 06:25 AM. My Blackhatter for his \$125. Ugh... wish I kept both these awards so then I'd still have x3 bhers.

Spoiler ([Click to View](#))

Deal #23 - [Honey Singh](#) on 06-18-2019, 09:33 PM. My White Hat Helper Wings for his \$100. My fattest L. These wings are worth sooooo much more than \$100... I didn't care much about awards during this point in time and just wanted to be done with them. Also the award market was closing around here.

Spoiler ([Click to View](#))

That concludes all my deals using the award market, until it was indefinitely closed on July 1st, 2019. <https://hackforums.net/showthread.php?tid=5983341>

I had so many different layouts from Nov 2018 - June 2019... here is my award layout thread: <https://hackforums.net/showthread.php?tid=5913729>

Okay so that brings us to the rest of my awards that do not say "xxx bestows xxx" (only 12 of my current awards are a result of the awards market!)

31st award 11-28-2018, 09:43 PM [\$100] - started copping stars while growing my award collection

32nd award 01-22-2019, 08:15 PM [\$50]

33rd award 01-22-2019, 08:16 PM [\$75]

34th award 03-27-2019, 12:19 PM - technically this was the day Omni deleted r00t, and I finally acquired the blue diamond. <https://hackforums.net/showthread.php?tid=5953786>

35th award 07-04-2019, 12:34 PM - award goals were released

<https://hackforums.net/showthread.php?tid=5986499>

36th award 07-04-2019, 12:39 PM

37th award 08-15-2019, 07:51 PM - The next 4 awards I got when I acquired ownership of Gamblers group. The sole reason I wanted a group was to have a pink username. But Omni wanted a fugging PREMIUM for the pink... so he charged me \$1500. I had him include the omni head, and x3 MM's (3rd person to acquire omni face award). I woulda been willing to pay ~\$500 for this set of 4 awards though so we'll count this deal as \$500 for the awards and \$1000 for the pink username clout (rumor has it other groups only paid \$300 for custom color lol). [\$500].

38th award 08-15-2019, 07:53 PM. x3 MM's to match my x3 Rich Bitches. [Pink username deal]

39th award 08-15-2019, 07:53 PM [Pink username deal]

40th award 08-15-2019, 07:53 PM [Pink username deal]

41st award 10-03-2019, 01:42 PM - First person to bet 100k bytes on sportsbook. I got this award from these bets: Spoiler ([Click to View](#)). So yeah... this ended up being a VERY pricey award strictly because Cheifs f*cking CHOKED.

42nd award 11-01-2019, 03:47 PM - I remember when this was a \$1k dono award... yet it's listed for only \$200 now. Good thing I didn't exactly donate directly for this one. I did however drop \$1,000 on scratchcards during the 2019 Halloween BOGO sale which I ended up losing 100% of the bytes on sportsbook. I did pull a 250k win from one of these cards though, then lost it on a 250,000 sportsbook bet.

Spoiler ([Click to View](#))

43rd award 11-01-2019, 06:54 PM - One of the very few awards Omni randomly awarded me... the jokerster. For my post here -

<https://hackforums.net/showthread.php?tid=6021005&pid=59108224#pid59108224>

44th award - Okay so it had been a while since I had done a big custom donation to Omni, and I had some award rows I wanted to finish so I made this deal for 9 awards on 11-07-2019, 09:53 PM. There were many stipulations but pretty much it cost [\$1000+]. I got enough awards to finish a blue row and an animal row.

45th award 11-07-2019, 09:54 PM [Blue row deal]

46th award 11-07-2019, 09:54 PM [Blue row deal]

47th award 11-07-2019, 09:55 PM [Blue row deal]

48th award 11-07-2019, 09:55 PM [Animal row deal]

49th award 11-07-2019, 09:55 PM [Animal row deal]

50th award 11-07-2019, 09:56 PM. Since I basically completed the stars, I was also granted this CD. Very nice award.

51st award 11-07-2019, 10:17 PM. I asked Omni to swap my green clover for a green box since this fit with my box column very nicely.

52nd award 11-07-2019, 09:44 PM. Part of this big 9 award deal was that Omni would delete one of my FPS gawds (I had two at the time), and then replace one with a new caption.

53rd award 12-02-2019, 09:08 PM. Just so no one gets butthurt, let's just say we checked in successfully for 100 days in a row to earn this.

Spoiler ([Click to View](#))

54th award 12-02-2019, 09:24 PM. Cyber Monday deals. More BOGO scratchers that I lost hundreds on lol, spent \$500 and lost all the bytes. I didn't blink another 250k pull, but I did score a 100k and a few 50ks from the 10 cards I scratched.

<https://hackforums.net/showthread.php?tid=6029824>

Spoiler ([Click to View](#))

55th award - So if you read all my award deals, you'll see at #19 I sold 20 crypto awards for pretty cheap. Sometime in mid 2019 I also had Omni delete 6 XMR awards and my drunk award... I regret all this. Anywho, Omni opened back up sales for all altcoins one last time and since I was missing most of them, I decided to get them all. This took a while to get all the specific coins lol and I had to use 3 different exchanges. This all happened on 01-20-2020, 11:48 AM. In total after all the exchanging fees and everything, I think it's safe to say these 13 altcoin awards cost around [\$350].

<https://hackforums.net/showthread.php?tid=6042137>

56th award This was the only award I had someone else donate the altcoin for me and I gave \$28 btc (for their \$25 DIVI). 01-20-2020, 11:53 AM [Alt coin bundle]

57th award 01-20-2020, 11:56 AM [Alt coin bundle]

58th award 01-20-2020, 12:00 PM [Alt coin bundle]

59th award 01-20-2020, 12:03 PM [Alt coin bundle]

60th award 01-20-2020, 01:00 PM [Alt coin bundle]

61st award 01-20-2020, 01:04 PM [Alt coin bundle]

62nd award 01-20-2020, 01:09 PM [Alt coin bundle]

63rd award 01-20-2020, 01:18 PM [Alt coin bundle]

64th award 01-20-2020, 06:29 PM [Alt coin bundle]

65th award 01-21-2020, 08:52 PM [Alt coin bundle]

66th award 01-21-2020, 09:19 PM [Alt coin bundle]

67th award 01-22-2020, 09:57 AM [Alt coin bundle]

68th award F*ck no I didn't make 5 blog posts for this award goal. I just made a custom dono for it on 01-22-2020, 09:57 AM. I needed these last 2 gold/yellow awards to finish my gold row. Well worth it. [\$170].

69th award 01-22-2020, 09:57 AM [\$170]. Spoiler ([Click to View](#))

70th award 01-22-2020, 09:59 AM. Omni was gracious enough to swap one of my extra purple gifts for this DSTAT award.

71st award 01-25-2020, 04:08 PM. First annual Gambler official award. Unfortunately the tournaments didn't get as much attention and participation as I wanted... but they were fun and I like having custom awards enough for me to want to do something like this every year. Grats to the 6 people who will forever hold the only 9 Diamond of Gambler awards in the history of HF. Exact price won't be provided but... [\$1000+].

72nd award 03-16-2020, 12:01 PM. Second person on the list for this award :) (I always shoot for top 3 on every new award). Fck Covid-19 [\$50].

<https://hackforums.net/showthread.php?tid=6057524>

73rd award 03-24-2020, 10:28 PM. Shoutout [Instagram](#) for this award. He gifted it to me lol

74th award 04-08-2020, 12:44 PM. Gotta support my man [Instagram](#) and cop one of his limited edition Monopoly head awards. Dope award. [\$225].

75th award 04-21-2020, 10:21 AM - \$50 4/20/20 sale... not entirely sure why I dropped \$650 on this day but it was cool to have all these awards + 13 egg awards. I ended up getting 7 blue eggs which was nice and useful to get my HUM award goal. You can see from the time slots that I originally only got 3 so then I'd have a full row of marijuana leaves (I had 3 from 2018 sale which those only cost \$25 ea smh). But then I bought 6 more lol... then I got the last 4 because I thought of some cool award layouts that would require 16 pot plants. [\$50].

76th award 04-21-2020, 10:21 AM [\$50].

77th award 04-21-2020, 10:21 AM [\$50].

78th award 04-21-2020, 10:33 AM [\$50].

79th award 04-21-2020, 10:33 AM [\$50].

80th award 04-21-2020, 10:33 AM [\$50].

81st award 04-21-2020, 10:33 AM [\$50].

82nd award 04-21-2020, 10:33 AM [\$50].

83rd award 04-21-2020, 10:33 AM [\$50].

84th award 04-21-2020, 11:32 AM [\$50].

85th award 04-21-2020, 11:32 AM [\$50].

86th award 04-21-2020, 11:32 AM [\$50].

87th award 04-21-2020, 11:42 AM [\$50].

88th award 04-21-2020, 11:53 AM. I didn't really want this, except at this point I was just going for as many awards as possible. Got Omni to just grant this award to me for free since I just dropped \$650 on the marijuana leafs lol

89th award 04-30-2020, 07:39 PM. Used the blue eggs I got from the 4/20 sale to get 50 kills. Ez.

90th award 05-05-2020, 02:22 PM. Bought one, got the other from the youtube video. [\$50].

93rd award 05-18-2020, 03:19 PM. I had Omni include this when I donated \$1000 for Gamblers blue backshadow username color.

94th award 07-24-2020, 01:53 PM. Shoutout [Zero](#) - gifted me this award while I was vacbanned for 2 months... so I didn't miss out on having a dope independence egg!

95th-107th awards are all ones that were obtained from the award market deals included above. I read this and seriously, i'm speechless.....over \$20k for award....WTF...

1st award - My first ever award on 03-26-2018, 08:23 PM from posting. [Free]

2nd award - I got the next 5 awards at the same time, when Omni held a sale for unlimited Weed plants at \$25 ea. I planned out a cool little layout, and donated for them. 04-20-2018, 12:29 PM [\$25]

3rd award - 04-20-2018, 08:06 PM [\$20]

4th award - 04-20-2018, 08:06 PM [\$25]

5th award - 04-20-2018, 08:53 PM [\$25]

6th award - 04-20-2018, 08:54 PM [\$25]

First legitimate, planned row completed 04/20/18

7th award - 07-06-2018, 10:45 AM, start of my next row... gotta start somewhere. Was the 3rd person to cop one of these [\$25]

8th award - 07-06-2018, 07:23 PM, knew I was going to want a white/black theme row so I copped this dono award. [\$50]

9th award - So then I finished this row with 4 more awards from a \$1000 custom donation on 07-10-2018, 09:47 AM. I wanted this 3rd column to be all diamonds, and I knew I shouldn't ask for a white diamond just yet so I got a red diamond. But you can see that Omni eventually changed this red diamond into the white diamond later on. [\$500]

10th award - 07-10-2018, 09:48 AM, These next 3 came as a package. I am the first and only user with multiple Rich Bitches. To go with the x3 marijuana leaves, was my thought process. So it was worth the \$500 premium. [\$250]

11th award 07-10-2018, 09:48 AM [\$25]

12th award 07-10-2018, 09:48 AM [\$250]

Second legitimate, planned row completed 07/10/18

13th award 07-10-2018, 09:49 AM, I got the next 6 at the same time as the last row because I had already decided I wanted my 3rd row to be black themed. This row alone was pricey, for the sake of privacy I will just put \$1000+ whenever I made a sizable donation for a bundle of awards. It's always up to Omni's discretion on how much he charges for awards, so don't consider the deals I got a presidency. [\$1000+]

14th award 07-10-2018, 09:49 AM [Blk row deal]

15th award - Since r00t wasn't officially released yet, I had to wait 9 days to get the rest of my awards on 07-19-2018, 10:59 PM. It was worth the wait. You'll see now that the DOH was replaced with the ub3r sapphire since Omni converted all r00t into ub3rs a year or so ago. But I was the first r00t member, and got the rest of the black row after the release of r00t.

<https://twitter.com/HFWrit3rs/status/1020186584388440064> [Blk row deal]

16th award 07-19-2018, 11:00 PM [Blk row deal]

17th award 07-19-2018, 11:00 PM (you'll notice this one is gone - I sold it in the award market). [Blk row deal]

18th award 07-19-2018, 11:01 PM [Blk row deal]

Third legitimate, planned row completed 07/19/18

19th award About 2 weeks after I made the sizeable donation for the black row, I decided to donate for my 4th row on 07-23-2018, 10:37 PM. This one I went with all red (we were running out of colors now seeing as diamonds were limited and I knew my entire 3rd column would be only diamonds). I am still only 1 of 2 with a gift award from Omni, this was another pricey donation (it came with a nice 10-100k bytes bonus roll). [\$1000+] <https://prnt.sc/tutb4f>

20th award 07-23-2018, 10:37 PM - I am the only user with multiple Dicey awards. Again, I just chose an award that I thought Omni wouldn't mind me having multiples, to match my x3 column repeat theme. [Red row deal]

21st award 07-23-2018, 10:38 PM - This was my 2nd MD award within a month lol. I dropped bank on awards in July 2018... [Red row deal]

22nd award 07-23-2018, 10:38 PM [Red row deal]

23rd award 07-23-2018, 10:38 PM [Red row deal]

24th award 07-23-2018, 10:38 PM - You won 47491 Bytes, pretty nice bonus for this award bundle. Fourth legitimate, planned row completed 07/23/18

25th award So I took about a month off from large donation deals for awards, but at the end of August I decided to make the biggest deal yet on 08-31-2018, 12:18 PM. Obviously the purple row would be the most expensive seeing as the Grand Amethyst is a \$1,000 donation alone. This was also when I got the red diamond replaced with a white one in my 2nd row. [\$2500+]

<https://prnt.sc/tuthht>

26th award I was also the first person to have any purple gifts, let alone 3, about a year before their actual release. 08-31-2018, 12:20 PM. I later sold 1 for about \$300 when the award market opened and then swapped one for a dstat. [Purp row deal]

27th award 08-31-2018, 12:19 PM [Purp row deal]

28th award 08-31-2018, 12:19 PM [Purp row deal]

29th award 08-31-2018, 12:20 PM [Purp row deal]

30th award 08-31-2018, 12:20 PM [Purp row deal]

Fifth legitimate, planned row completed 08/31/18

I was happy with my 5 rows. I had one, if not the best, award layouts. Comparable to the likes of Steve's. There was no other diamonds available for me to obtain, since I was perm denied from ub3r and no r00ts were able to get ub3r, I had no plans of getting more awards after this set of 30. Until November 2018, with two BIG releases.

Deal #19 - [Riot](#) on 03-03-2019, 06:47 AM. My 23 awards for his \$600. By far my biggest regret. I f*cking WISH I kept all these awards man... it's something to note as well that he had to spend \$230 on bytes for the award transfer fees lol.

Spoiler ([Click to View](#))

Deal #20 - [iNviZ](#) on 04-30-2019, 07:36 PM. My FPS Gawd for his \$60. Awards really crashed and I guess I was desperate for cash around this time...

Deal #21 - [BTC](#) on 05-09-2019, 09:33 PM. My Blackhatter for his \$100. Even though I bought this

I didn't care much about awards during this point in time and just wanted to be done with them. Also the award market was closing around here.
Spoiler ([Click to View](#))

That concludes all my deals using the award market, until it was indefinitely closed on July 1st, 2019. <https://hackforums.net/showthread.php?tid=5983341>

I had so many different layouts from Nov 2018 - June 2019... here is my award layout thread:
<https://hackforums.net/showthread.php?tid=5913729>

Okay so that brings us to the rest of my awards that do not say "xxx bestows xxx" (only 12 of my current awards are a result of the awards market!)

31st award 11-28-2018, 09:43 PM [\$100] - started copping stars while growing my award collection
32nd award 01-22-2019, 08:15 PM [\$50]
33rd award 01-22-2019, 08:16 PM [\$75]
34th award 03-27-2019, 12:19 PM - technically this was the day Omni deleted r00t, and I finally acquired the blue diamond. <https://hackforums.net/showthread.php?tid=5953786>

35th award 07-04-2019, 12:34 PM - award goals were released
<https://hackforums.net/showthread.php?tid=5986499>
36th award 07-04-2019, 12:39 PM

37th award 08-15-2019, 07:51 PM - The next 4 awards I got when I acquired ownership of Gamblers group. The sole reason I wanted a group was to have a pink username. But Omni wanted a fugging PREMIUM for the pink... so he charged me \$1500. I had him include the omni head, and x3 MM's (3rd person to acquire omni face award). I woulda been willing to pay ~\$500 for this set of 4 awards though so we'll count this deal as \$500 for the awards and \$1000 for the pink username clout (rumor has it other groups only paid \$300 for custom color lol). [\$500].

38th award 08-15-2019, 07:53 PM. x3 MM's to match my x3 Rich Bitches. [Pink username deal]
39th award 08-15-2019, 07:53 PM [Pink username deal]
40th award 08-15-2019, 07:53 PM [Pink username deal]

41st award 10-03-2019, 01:42 PM - First person to bet 100k bytes on sportsbook. I got this award from these bets: Spoiler ([Click to View](#)). So yeah... this ended up being a VERY pricey award strictly because Cheifs f*cking CHOKED.

42nd award 11-01-2019, 03:47 PM - I remember when this was a \$1k dono award... yet it's listed for only \$200 now. Good thing I didn't exactly donate directly for this one. I did however drop \$1,000 on scratchcards during the 2019 Halloween BOGO sale which I ended up losing 100% of the bytes

on sportsbook. I did pull a 250k win from one of these cards though, then lost it on a 250,000 sportsbook bet.

Spoiler ([Click to View](#))

43rd award 11-01-2019, 06:54 PM - One of the very few awards Omni randomly awarded me... the jokester. For my post here -

<https://hackforums.net/showthread.php?tid=6021005&pid=59108224#pid59108224>

44th award - Okay so it had been a while since I had done a big custom donation to Omni, and I had some award rows I wanted to finish so I made this deal for 9 awards on 11-07-2019, 09:53 PM. There were many stipulations but pretty much it cost [\$1000+]. I got enough awards to finish a blue row and an animal row.

45th award 11-07-2019, 09:54 PM [Blue row deal]

46th award 11-07-2019, 09:54 PM [Blue row deal]

47th award 11-07-2019, 09:55 PM [Blue row deal]

48th award 11-07-2019, 09:55 PM [Animal row deal]

49th award 11-07-2019, 09:55 PM [Animal row deal]

50th award 11-07-2019, 09:56 PM. Since I basically completed the stars, I was also granted this CD. Very nice award.

51st award 11-07-2019, 10:17 PM. I asked Omni to swap my green clover for a green box since this fit with my box column very nicely.

52nd award 11-07-2019, 09:44 PM. Part of this big 9 award deal was that Omni would delete one of my FPS gawds (I had two at the time), and then replace one with a new caption.

53rd award 12-02-2019, 09:08 PM. Just so no one gets butthurt, let's just say we checked in successfully for 100 days in a row to earn this.

Spoiler ([Click to View](#))

54th award 12-02-2019, 09:24 PM. Cyber Monday deals. More BOGO scratchers that I lost hundreds on lol, spent \$500 and lost all the bytes. I didn't blink another 250k pull, but I did score a 100k and a few 50ks from the 10 cards I scratched.

<https://hackforums.net/showthread.php?tid=6029824>

Spoiler ([Click to View](#))

55th award - So if you read all my award deals, you'll see at #19 I sold 20 crypto awards for pretty cheap. Sometime in mid 2019 I also had Omni delete 6 XMR awards and my drunk award... I regret all this. Anywho, Omni opened back up sales for all altcoins one last time and since I was missing most of them, I decided to get them all. This took a while to get all the specific coins lol and I had to use 3 different exchanges. This all happened on 01-20-2020, 11:48 AM. In total after all the exchanging fees and everything, I think it's safe to say these 13 altcoin awards cost around [\$350].

<https://hackforums.net/showthread.php?tid=6042137>

56th award This was the only award I had someone else donate the altcoin for me and I gave \$28 btc (for their \$25 DIVI). 01-20-2020, 11:53 AM [Alt coin bundle]

57th award 01-20-2020, 11:56 AM [Alt coin bundle]

58th award 01-20-2020, 12:00 PM [Alt coin bundle]

61st award 01-20-2020, 01:04 PM [Alt coin bundle]

62nd award 01-20-2020, 01:09 PM [Alt coin bundle]

64th award 01-20-2020, 06:29 PM [Alt coin bundle]

65th award 01-21-2020, 08:52 PM [Alt coin bundle]
66th award 01-21-2020, 09:19 PM [Alt coin bundle]
67th award 01-22-2020, 09:57 AM [Alt coin bundle]

68th award F*ck no I didn't make 5 blog posts for this award goal. I just made a custom dono for it on 01-22-2020, 09:57 AM. I needed these last 2 gold/yellow awards to finish my gold row. Well worth it. [\$170].

69th award 01-22-2020, 09:57 AM [\$170]. Spoiler ([Click to View](#))

70th award 01-22-2020, 09:59 AM. Omni was gracious enough to swap one of my extra purple gifts for this DSTAT award.

71st award 01-25-2020, 04:08 PM. First annual Gambler official award. Unfortunately the tournaments didn't get as much attention and participation as I wanted... but they were fun and I like having custom awards enough for me to want to do something like this every year. Grats to the 6 people who will forever hold the only 9 Diamond of Gambler awards in the history of HF. Exact price won't be provided but... [\$1000+].

72nd award 03-16-2020, 12:01 PM. Second person on the list for this award :) (I always shoot for top 3 on every new award). Fck Covid-19 [\$50].

<https://hackforums.net/showthread.php?tid=6057524>

73rd award 03-24-2020, 10:28 PM. Shoutout [Instagram](#) for this award. He gifted it to me lol

74th award 04-08-2020, 12:44 PM. Gotta support my man [Instagram](#) and cop one of his limited edition Monopoly head awards. Dope award. [\$225].

75th award 04-21-2020, 10:21 AM - \$50 4/20/20 sale... not entirely sure why I dropped \$650 on this day but it was cool to have all these awards + 13 egg awards. I ended up getting 7 blue eggs which was nice and useful to get my HUM award goal. You can see from the time slots that I originally only got 3 so then I'd have a full row of marijuana leaves (I had 3 from 2018 sale which those only cost \$25 ea smh). But then I bought 6 more lol... then I got the last 4 because I thought of some cool award layouts that would require 16 pot plants. [\$50].

76th award 04-21-2020, 10:21 AM [\$50].

77th award 04-21-2020, 10:21 AM [\$50].

78th award 04-21-2020, 10:33 AM [\$50].

79th award 04-21-2020, 10:33 AM [\$50].

80th award 04-21-2020, 10:33 AM [\$50].

81st award 04-21-2020, 10:33 AM [\$50].

82nd award 04-21-2020, 10:33 AM [\$50].

83rd award 04-21-2020, 10:33 AM [\$50].

84th award 04-21-2020, 11:32 AM [\$50].

85th award 04-21-2020, 11:32 AM [\$50].

86th award 04-21-2020, 11:32 AM [\$50].

87th award 04-21-2020, 11:42 AM [\$50].

88th award 04-21-2020, 11:53 AM. I didn't really want this, except at this point I was just going for as many awards as possible. Got Omni to just grant this award to me for free since I just dropped \$650 on the marijuana leafs lol

89th award 04-30-2020, 07:39 PM. Used the blue eggs I got from the 4/20 sale to get 50 kills. Ez.

90th award 05-05-2020, 02:22 PM. Bought one, got the other from the youtube video. [\$50].

Always wondered how you got all those award and it was a great read!

I am only disappointed for the \$340 you paid for the Golden blogs award and the star, as I thought you wrote 5 HQ blogs.

Regardless, you spent a lot of money and supported Omniscient a lot. I know we got our differences, but I respect you for the donations!

He meant that if he held the BTC he paid back in 2017-2018 it was worth more today, so BTC he spend in 2017 worth much more now.

Didn't calculate to see if it gets close to \$200k but he has a point.

yeah but I never would have held that much btc. unfortunately.

If I held my cash in btc back when it was \$1k all the way until now (which I am 100% certain I would have sold it before now), I'd be a millionaire. But oh well. Shit happens. Kappa. Nobody called \$30k by 2021... ?

1st award - My first ever award on 03-26-2018, 08:23 PM from posting. [Free]

2nd award - I got the next 5 awards at the same time, when Omni held a sale for unlimited Weed plants at \$25 ea. I planned out a cool little layout, and donated for them. 04-20-2018, 12:29 PM [\$25]

3rd award - 04-20-2018, 08:06 PM [\$20]

4th award - 04-20-2018, 08:06 PM [\$25]

5th award - 04-20-2018, 08:53 PM [\$25]

6th award - 04-20-2018, 08:54 PM [\$25]

First legitimate, planned row completed 04/20/18

7th award - 07-06-2018, 10:45 AM, start of my next row... gotta start somewhere. Was the 3rd person to cop one of these [\$25]

8th award - 07-06-2018, 07:23 PM, knew I was going to want a white/black theme row so I copped this dono award. [\$50]

9th award - So then I finished this row with 4 more awards from a \$1000 custom donation on 07-10-2018, 09:47 AM. I wanted this 3rd column to be all diamonds, and I knew I shouldn't ask for a white diamond just yet so I got a red diamond. But you can see that Omni eventually changed this red diamond into the white diamond later on. [\$500]

10th award - 07-10-2018, 09:48 AM, These next 3 came as a package. I am the first and only user with multiple Rich Bitches. To go with the x3 marijuana leaves, was my thought process. So it was worth the \$500 premium. [\$250]

11th award 07-10-2018, 09:48 AM [\$25]

12th award 07-10-2018, 09:48 AM [\$250]

Second legitimate, planned row completed 07/10/18

13th award 07-10-2018, 09:49 AM, I got the next 6 at the same time as the last row because I had already decided I wanted my 3rd row to be black themed. This row alone was pricey, for the sake of privacy I will just put \$1000+ whenever I made a sizable donation for a bundle of awards. It's always up to Omni's discretion on how much he charges for awards, so don't consider the deals I got a presidency. [\$1000+]

14th award 07-10-2018, 09:49 AM [Blk row deal]

15th award - Since r00t wasn't officially released yet, I had to wait 9 days to get the rest of my awards on 07-19-2018, 10:59 PM. It was worth the wait. You'll see now that the DOH was replaced with the ub3r sapphire since Omni converted all r00t into ub3rs a year or so ago. But I was the first r00t member, and got the rest of the black row after the release of r00t.

<https://twitter.com/HFWrit3rs/status/1020186584388440064> [Blk row deal]

16th award 07-19-2018, 11:00 PM [Blk row deal]

17th award 07-19-2018, 11:00 PM (you'll notice this one is gone - I sold it in the award market). [Blk row deal]

18th award 07-19-2018, 11:01 PM [Blk row deal]

Third legitimate, planned row completed 07/19/18

19th award About 2 weeks after I made the sizeable donation for the black row, I decided to donate for my 4th row on 07-23-2018, 10:37 PM. This one I went will all red (we were running out of colors now seeing as diamonds were limited and I knew my entire 3rd column would be only diamonds). I am still only 1 of 2 with a gift award from Omni, this was another pricey donation (it came with a nice 10-100k bytes bonus roll). [\$1000+] <https://prnt.sc/tutb4f>

20th award 07-23-2018, 10:37 PM - I am the only user with multiple Dicey awards. Again, I just chose an award that I thought Omni wouldn't mind me having multiples, to match my x3 column repeat theme. [Red row deal]

21st award 07-23-2018, 10:38 PM - This was my 2nd MD award within a month lol. I dropped bank on awards in July 2018... [Red row deal]

22nd award 07-23-2018, 10:38 PM [Red row deal]

23rd award 07-23-2018, 10:38 PM [Red row deal]

24th award 07-23-2018, 10:38 PM - You won 47491 Bytes, pretty nice bonus for this award bundle. Fourth legitimate, planned row completed 07/23/18

25th award So I took about a month off from large donation deals for awards, but at the end of August I decided to make the biggest deal yet on 08-31-2018, 12:18 PM. Obviously the purple row would be the most expensive seeing as the Grand Amethyst is a \$1,000 donation alone. This was also when I got the red diamond replaced with a white one in my 2nd row. [\$2500+]

<https://prnt.sc/tuthht>

26th award I was also the first person to have any purple gifts, let alone 3, about a year before their actual release. 08-31-2018, 12:20 PM. I later sold 1 for about \$300 when the award market opened and then swapped one for a dstat. [Purp row deal]

27th award 08-31-2018, 12:19 PM [Purp row deal]

28th award 08-31-2018, 12:19 PM [Purp row deal]

29th award 08-31-2018, 12:20 PM [Purp row deal]

30th award 08-31-2018, 12:20 PM [Purp row deal]

Fifth legitimate, planned row completed 08/31/18

I was happy with my 5 rows. I had one, if not the best, award layouts. Comparable to the likes of Steve's. There was no other diamonds available for me to obtain, since I was perm denied from ub3r and no r00ts were able to get ub3r, I had no plans of getting more awards after this set of 30. Until November 2018, with two BIG releases.

I didn't care much about awards during this point in time and just wanted to be done with them. Also the award market was closing around here.

Spoiler ([Click to View](#))

That concludes all my deals using the award market, until it was indefinitely closed on July 1st, 2019. <https://hackforums.net/showthread.php?tid=5983341>

I had so many different layouts from Nov 2018 - June 2019... here is my award layout thread: <https://hackforums.net/showthread.php?tid=5913729>

Okay so that brings us to the rest of my awards that do not say "xxx bestows xxx" (only 12 of my current awards are a result of the awards market!)

31st award 11-28-2018, 09:43 PM [\$100] - started copping stars while growing my award collection

32nd award 01-22-2019, 08:15 PM [\$50]

33rd award 01-22-2019, 08:16 PM [\$75]

34th award 03-27-2019, 12:19 PM - technically this was the day Omni deleted r00t, and I finally acquired the blue diamond. <https://hackforums.net/showthread.php?tid=5953786>

35th award 07-04-2019, 12:34 PM - award goals were released

<https://hackforums.net/showthread.php?tid=5986499>

36th award 07-04-2019, 12:39 PM

37th award 08-15-2019, 07:51 PM - The next 4 awards I got when I acquired ownership of Gamblers group. The sole reason I wanted a group was to have a pink username. But Omni wanted a fugging PREMIUM for the pink... so he charged me \$1500. I had him include the omni head, and x3 MM's (3rd person to acquire omni face award). I woulda been willing to pay ~\$500 for this set of 4 awards though so we'll count this deal as \$500 for the awards and \$1000 for the pink username clout (rumor has it other groups only paid \$300 for custom color lol). [\$500].

38th award 08-15-2019, 07:53 PM. x3 MM's to match my x3 Rich Bitches. [Pink username deal]

39th award 08-15-2019, 07:53 PM [Pink username deal]

40th award 08-15-2019, 07:53 PM [Pink username deal]

41st award 10-03-2019, 01:42 PM - First person to bet 100k bytes on sportsbook. I got this award from these bets: Spoiler ([Click to View](#)). So yeah... this ended up being a VERY pricey award strictly because Cheifs f*cking CHOKED.

42nd award 11-01-2019, 03:47 PM - I remember when this was a \$1k dono award... yet it's listed for only \$200 now. Good thing I didn't exactly donate directly for this one. I did however drop \$1,000 on scratchcards during the 2019 Halloween BOGO sale which I ended up losing 100% of the bytes on sportsbook. I did pull a 250k win from one of these cards though, then lost it on a 250,000 sportsbook bet.

Spoiler ([Click to View](#))

43rd award 11-01-2019, 06:54 PM - One of the very few awards Omni randomly awarded me... the jokester. For my post here -

<https://hackforums.net/showthread.php?tid=6021005&pid=59108224#pid59108224>

44th award - Okay so it had been a while since I had done a big custom donation to Omni, and I had some award rows I wanted to finish so I made this deal for 9 awards on 11-07-2019, 09:53 PM. There were many stipulations but pretty much it cost [\$1000+]. I got enough awards to finish a blue row and an animal row.

45th award 11-07-2019, 09:54 PM [Blue row deal]

46th award 11-07-2019, 09:54 PM [Blue row deal]

47th award 11-07-2019, 09:55 PM [Blue row deal]

48th award 11-07-2019, 09:55 PM [Animal row deal]

49th award 11-07-2019, 09:55 PM [Animal row deal]

50th award 11-07-2019, 09:56 PM. Since I basically completed the stars, I was also granted this CD. Very nice award.

51st award 11-07-2019, 10:17 PM. I asked Omni to swap my green clover for a green box since this fit with my box column very nicely.

52nd award 11-07-2019, 09:44 PM. Part of this big 9 award deal was that Omni would delete one of my FPS gawds (I had two at the time), and then replace one with a new caption.

53rd award 12-02-2019, 09:08 PM. Just so no one gets butthurt, let's just say we checked in successfully for 100 days in a row to earn this.

Spoiler ([Click to View](#))

54th award 12-02-2019, 09:24 PM. Cyber Monday deals. More BOGO scratchers that I lost

hundreds on lol, spent \$500 and lost all the bytes. I didn't blink another 250k pull, but I did score a 100k and a few 50ks from the 10 cards I scratched.

Spoiler ([Click to View](#))

55th award - So if you read all my award deals, you'll see at #19 I sold 20 crypto awards for pretty cheap. Sometime in mid 2019 I also had Omni delete 6 XMR awards and my drunk award... I regret all this. Anywho, Omni opened back up sales for all altcoins one last time and since I was missing most of them, I decided to get them all. This took a while to get all the specific coins lol and I had to use 3 different exchanges. This all happened on 01-20-2020, 11:48 AM. In total after all the exchanging fees and everything, I think it's safe to say these 13 altcoin awards cost around [\$350].

<https://hackforums.net/showthread.php?tid=6042137>

56th award This was the only award I had someone else donate the altcoin for me and I gave \$28 btc (for their \$25 DIVI). 01-20-2020, 11:53 AM [Alt coin bundle]

57th award 01-20-2020, 11:56 AM [Alt coin bundle]

61st award 01-20-2020, 01:04 PM [Alt coin bundle]

62nd award 01-20-2020, 01:09 PM [Alt coin bundle]

63rd award 01-20-2020, 01:18 PM [Alt coin bundle]

64th award 01-20-2020, 06:29 PM [Alt coin bundle]

65th award 01-21-2020, 08:52 PM [Alt coin bundle]

66th award 01-21-2020, 09:19 PM [Alt coin bundle]

67th award 01-22-2020, 09:57 AM [Alt coin bundle]

68th award F*ck no I didn't make 5 blog posts for this award goal. I just made a custom dono for it on 01-22-2020, 09:57 AM. I needed these last 2 gold/yellow awards to finish my gold row. Well worth it. [\$170].

69th award 01-22-2020, 09:57 AM [\$170]. Spoiler ([Click to View](#))

70th award 01-22-2020, 09:59 AM. Omni was gracious enough to swap one of my extra purple gifts for this DSTAT award.

71st award 01-25-2020, 04:08 PM. First annual Gambler official award. Unfortunately the tournaments didn't get as much attention and participation as I wanted... but they were fun and I like having custom awards enough for me to want to do something like this every year. Grats to the 6 people who will forever hold the only 9 Diamond of Gambler awards in the history of HF. Exact price won't be provided but... [\$1000+].

72nd award 03-16-2020, 12:01 PM. Second person on the list for this award :) (I always shoot for top 3 on every new award). Fck Covid-19 [\$50].

74th award 04-08-2020, 12:44 PM. Gotta support my man [Instagram](#) and cop one of his limited edition Monopoly head awards. Dope award. [\$225].

75th award 04-21-2020, 10:21 AM - \$50 4/20/20 sale... not entirely sure why I dropped \$650 on this day but it was cool to have all these awards + 13 egg awards. I ended up getting 7 blue eggs which was nice and useful to get my HUM award goal. You can see from the time slots that I originally only got 3 so then I'd have a full row of marijuana leaves (I had 3 from 2018 sale which those only cost \$25 ea smh). But then I bought 6 more lol... then I got the last 4 because I thought of some cool award layouts that would require 16 pot plants. [\$50].

76th award 04-21-2020, 10:21 AM [\$50].

77th award 04-21-2020, 10:21 AM [\$50].

85th award 04-21-2020, 11:32 AM [\$50].
86th award 04-21-2020, 11:32 AM [\$50].
87th award 04-21-2020, 11:42 AM [\$50].

88th award 04-21-2020, 11:53 AM. I didn't really want this, except at this point I was just going for as many awards as possible. Got Omni to just grant this award to me for free since I just dropped \$650 on the marijuana leafs lol

89th award 04-30-2020, 07:39 PM. Used the blue eggs I got from the 4/20 sale to get 50 kills. Ez.

90th award 05-05-2020, 02:22 PM. Bought one, got the other from the youtube video. [\$50].

Eh not really. They're just awards and I haven't lost anything that directly correlates to deterioration of my irl health??? Mental or physical or spiritual or emotional.

Around \$15k spent on awards that I get to always flex/see/remember. Sentimental value alone is worth the cost.

In comparison - Since 2018 ive lost well over \$150,000 gambling. THAT is an unhealthy addiction. I get nothing from all that money lost. Zzz

129th award 09-15-2021, 06:24 PM "To the master of all donations." [\$500]

130th award 09-22-2021, 12:05 PM "Happy birthday" - bday gift from Omni.

That is a lot of awards. Great way to show reputation!

Maybe a good idea to create some new columns. It'd absolutely wreck people's row designs but it'd make it easier to scroll HF. ?

1st award - My first ever award on 03-26-2018, 08:23 PM from posting. [Free]

2nd award - I got the next 5 awards at the same time, when Omni held a sale for unlimited Weed plants at \$25 ea. I planned out a cool little layout, and donated for them. 04-20-2018, 12:29 PM [\$25]

3rd award - 04-20-2018, 08:06 PM [\$20]

4th award - 04-20-2018, 08:06 PM [\$25]

5th award - 04-20-2018, 08:53 PM [\$25]

6th award - 04-20-2018, 08:54 PM [\$25]

First legitimate, planned row completed 04/20/18

7th award - 07-06-2018, 10:45 AM, start of my next row... gotta start somewhere. Was the 3rd person to cop one of these [\$25]

8th award - 07-06-2018, 07:23 PM, knew I was going to want a white/black theme row so I copped this dono award. [\$50]

9th award - So then I finished this row with 4 more awards from a \$1000 custom donation on 07-10-2018, 09:47 AM. I wanted this 3rd column to be all diamonds, and I knew I shouldn't ask for a white diamond just yet so I got a red diamond. But you can see that Omni eventually changed this red diamond into the white diamond later on. [\$500]

10th award - 07-10-2018, 09:48 AM, These next 3 came as a package. I am the first and only user with multiple Rich Bitches. To go with the x3 marijuana leaves, was my thought process. So it was worth the \$500 premium. [\$250]

11th award 07-10-2018, 09:48 AM [\$25]

12th award 07-10-2018, 09:48 AM [\$250]

Second legitimate, planned row completed 07/10/18

13th award 07-10-2018, 09:49 AM, I got the next 6 at the same time as the last row because I had already decided I wanted my 3rd row to be black themed. This row alone was pricey, for the sake of privacy I will just put \$1000+ whenever I made a sizable donation for a bundle of awards. It's always up to Omni's discretion on how much he charges for awards, so don't consider the deals I got a presidency. [\$1000+]

14th award 07-10-2018, 09:49 AM [Blk row deal]

15th award - Since r00t wasn't officially released yet, I had to wait 9 days to get the rest of my awards on 07-19-2018, 10:59 PM. It was worth the wait. You'll see now that the DOH was replaced with the ub3r sapphire since Omni converted all r00t into ub3rs a year or so ago. But I was the first r00t member, and got the rest of the black row after the release of r00t.

<https://twitter.com/HFWrit3rs/status/1020186584388440064> [Blk row deal]

16th award 07-19-2018, 11:00 PM [Blk row deal]

17th award 07-19-2018, 11:00 PM (you'll notice this one is gone - I sold it in the award market). [Blk row deal]

18th award 07-19-2018, 11:01 PM [Blk row deal]

Third legitimate, planned row completed 07/19/18

19th award About 2 weeks after I made the sizeable donation for the black row, I decided to donate for my 4th row on 07-23-2018, 10:37 PM. This one I went with all red (we were running out of colors now seeing as diamonds were limited and I knew my entire 3rd column would be only diamonds). I am still only 1 of 2 with a gift award from Omni, this was another pricey donation (it came with a nice

10-100k bytes bonus roll). [\$1000+] <https://prnt.sc/tutb4f>

20th award 07-23-2018, 10:37 PM - I am the only user with multiple Dicey awards. Again, I just chose an award that I thought Omni wouldn't mind me having multiples, to match my x3 column repeat theme. [Red row deal]

21st award 07-23-2018, 10:38 PM - This was my 2nd MD award within a month lol. I dropped bank on awards in July 2018... [Red row deal]

22nd award 07-23-2018, 10:38 PM [Red row deal]

23rd award 07-23-2018, 10:38 PM [Red row deal]

24th award 07-23-2018, 10:38 PM - You won 47491 Bytes, pretty nice bonus for this award bundle. Fourth legitimate, planned row completed 07/23/18

25th award So I took about a month off from large donation deals for awards, but at the end of August I decided to make the biggest deal yet on 08-31-2018, 12:18 PM. Obviously the purple row would be the most expensive seeing as the Grand Amethyst is a \$1,000 donation alone. This was also when I got the red diamond replaced with a white one in my 2nd row. [\$2500+]

<https://prnt.sc/tuthht>

26th award I was also the first person to have any purple gifts, let alone 3, about a year before their actual release. 08-31-2018, 12:20 PM. I later sold 1 for about \$300 when the award market opened and then swapped one for a dstat. [Purp row deal]

27th award 08-31-2018, 12:19 PM [Purp row deal]

28th award 08-31-2018, 12:19 PM [Purp row deal]

29th award 08-31-2018, 12:20 PM [Purp row deal]

30th award 08-31-2018, 12:20 PM [Purp row deal]

Fifth legitimate, planned row completed 08/31/18

I was happy with my 5 rows. I had one, if not the best, award layouts. Comparable to the likes of Steve's. There was no other diamonds available for me to obtain, since I was perm denied from ub3r and no r00ts were able to get ub3r, I had no plans of getting more awards after this set of 30. Until November 2018, with two BIG releases.

I didn't care much about awards during this point in time and just wanted to be done with them. Also the award market was closing around here.

That concludes all my deals using the award market, until it was indefinitely closed on July 1st, 2019. <https://hackforums.net/showthread.php?tid=5983341>

I had so many different layouts from Nov 2018 - June 2019... here is my award layout thread: <https://hackforums.net/showthread.php?tid=5913729>

Okay so that brings us to the rest of my awards that do not say "xxx bestows xxx" (only 12 of my current awards are a result of the awards market!)

31st award 11-28-2018, 09:43 PM [\$100] - started copping stars while growing my award collection

32nd award 01-22-2019, 08:15 PM [\$50]

33rd award 01-22-2019, 08:16 PM [\$75]

34th award 03-27-2019, 12:19 PM - technically this was the day Omni deleted r00t, and I finally acquired the blue diamond. <https://hackforums.net/showthread.php?tid=5953786>

35th award 07-04-2019, 12:34 PM - award goals were released

<https://hackforums.net/showthread.php?tid=5986499>

36th award 07-04-2019, 12:39 PM

37th award 08-15-2019, 07:51 PM - The next 4 awards I got when I acquired ownership of Gamblers group. The sole reason I wanted a group was to have a pink username. But Omni wanted a fugging PREMIUM for the pink... so he charged me \$1500. I had him include the omni head, and x3 MM's (3rd person to acquire omni face award). I woulda been willing to pay ~\$500 for this set of 4 awards though so we'll count this deal as \$500 for the awards and \$1000 for the pink username clout (rumor has it other groups only paid \$300 for custom color lol). [\$500].

38th award 08-15-2019, 07:53 PM. x3 MM's to match my x3 Rich Bitches. [Pink username deal]

39th award 08-15-2019, 07:53 PM [Pink username deal]

40th award 08-15-2019, 07:53 PM [Pink username deal]

41st award 10-03-2019, 01:42 PM - First person to bet 100k bytes on sportsbook. I got this award from these bets: Spoiler ([Click to View](#)). So yeah... this ended up being a VERY pricey award strictly because Cheifs f*cking CHOKED.

42nd award 11-01-2019, 03:47 PM - I remember when this was a \$1k dono award... yet it's listed for only \$200 now. Good thing I didn't exactly donate directly for this one. I did however drop \$1,000 on scratchcards during the 2019 Halloween BOGO sale which I ended up losing 100% of the bytes on sportsbook. I did pull a 250k win from one of these cards though, then lost it on a 250,000 sportsbook bet.

Spoiler ([Click to View](#))

43rd award 11-01-2019, 06:54 PM - One of the very few awards Omni randomly awarded me... the jokester. For my post here -

<https://hackforums.net/showthread.php?tid=6021005&pid=59108224#pid59108224>

44th award - Okay so it had been a while since I had done a big custom donation to Omni, and I had some award rows I wanted to finish so I made this deal for 9 awards on 11-07-2019, 09:53 PM. There were many stipulations but pretty much it cost [\$1000+]. I got enough awards to finish a blue row and an animal row.

45th award 11-07-2019, 09:54 PM [Blue row deal]

46th award 11-07-2019, 09:54 PM [Blue row deal]

47th award 11-07-2019, 09:55 PM [Blue row deal]

48th award 11-07-2019, 09:55 PM [Animal row deal]

49th award 11-07-2019, 09:55 PM [Animal row deal]

50th award 11-07-2019, 09:56 PM. Since I basically completed the stars, I was also granted this CD. Very nice award.

51st award 11-07-2019, 10:17 PM. I asked Omni to swap my green clover for a green box since this fit with my box column very nicely.

52nd award 11-07-2019, 09:44 PM. Part of this big 9 award deal was that Omni would delete one of my FPS gawds (I had two at the time), and then replace one with a new caption.

53rd award 12-02-2019, 09:08 PM. Just so no one gets butthurt, let's just say we checked in successfully for 100 days in a row to earn this.

Spoiler ([Click to View](#))

54th award 12-02-2019, 09:24 PM. Cyber Monday deals. More BOGO scratchers that I lost hundreds on lol, spent \$500 and lost all the bytes. I didn't bink another 250k pull, but I did score a 100k and a few 50ks from the 10 cards I scratched.

Spoiler ([Click to View](#))

55th award - So if you read all my award deals, you'll see at #19 I sold 20 crypto awards for pretty cheap. Sometime in mid 2019 I also had Omni delete 6 XMR awards and my drunk award... I regret all this. Anywho, Omni opened back up sales for all altcoins one last time and since I was missing most of them, I decided to get them all. This took a while to get all the specific coins lol and I had to use 3 different exchanges. This all happened on 01-20-2020, 11:48 AM. In total after all the exchanging fees and everything, I think it's safe to say these 13 altcoin awards cost around [\$350].

<https://hackforums.net/showthread.php?tid=6042137>

56th award This was the only award I had someone else donate the altcoin for me and I gave \$28 btc (for their \$25 DIVI). 01-20-2020, 11:53 AM [Alt coin bundle]

57th award 01-20-2020, 11:56 AM [Alt coin bundle]

58th award 01-20-2020, 12:00 PM [Alt coin bundle]

66th award 01-21-2020, 09:19 PM [Alt coin bundle]

67th award 01-22-2020, 09:57 AM [Alt coin bundle]

68th award F*ck no I didn't make 5 blog posts for this award goal. I just made a custom dono for it on 01-22-2020, 09:57 AM. I needed these last 2 gold/yellow awards to finish my gold row. Well worth it. [\$170].

69th award 01-22-2020, 09:57 AM [\$170]. Spoiler ([Click to View](#))

70th award 01-22-2020, 09:59 AM. Omni was gracious enough to swap one of my extra purple gifts for this DSTAT award.

71st award 01-25-2020, 04:08 PM. First annual Gambler official award. Unfortunately the tournaments didn't get as much attention and participation as I wanted... but they were fun and I like having custom awards enough for me to want to do something like this every year. Grats to the 6 people who will forever hold the only 9 Diamond of Gambler awards in the history of HF. Exact price won't be provided but... [\$1000+].

72nd award 03-16-2020, 12:01 PM. Second person on the list for this award :) (I always shoot for top 3 on every new award). Fck Covid-19 [\$50].

74th award 04-08-2020, 12:44 PM. Gotta support my man [Instagram](#) and cop one of his limited edition Monopoly head awards. Dope award. [\$225].

75th award 04-21-2020, 10:21 AM - \$50 4/20/20 sale... not entirely sure why I dropped \$650 on this day but it was cool to have all these awards + 13 egg awards. I ended up getting 7 blue eggs which was nice and useful to get my HUM award goal. You can see from the time slots that I originally only got 3 so then I'd have a full row of marijuana leaves (I had 3 from 2018 sale which those only cost \$25 ea smh). But then I bought 6 more lol... then I got the last 4 because I thought of some cool award layouts that would require 16 pot plants. [\$50].

76th award 04-21-2020, 10:21 AM [\$50].

88th award 04-21-2020, 11:53 AM. I didn't really want this, except at this point I was just going for as many awards as possible. Got Omni to just grant this award to me for free since I just dropped \$650 on the marijuana leafs lol

89th award 04-30-2020, 07:39 PM. Used the blue eggs I got from the 4/20 sale to get 50 kills. Ez.

1st award - My first ever award on 03-26-2018, 08:23 PM from posting. [Free]
2nd award - I got the next 5 awards at the same time, when Omni held a sale for unlimited Weed plants at \$25 ea. I planned out a cool little layout, and donated for them. 04-20-2018, 12:29 PM [\$25]
3rd award - 04-20-2018, 08:06 PM [\$20]
4th award - 04-20-2018, 08:06 PM [\$25]
5th award - 04-20-2018, 08:53 PM [\$25]
6th award - 04-20-2018, 08:54 PM [\$25]
First legitimate, planned row completed 04/20/18

7th award - 07-06-2018, 10:45 AM, start of my next row... gotta start somewhere. Was the 3rd person to cop one of these [\$25]

8th award - 07-06-2018, 07:23 PM, knew I was going to want a white/black theme row so I copped this dono award. [\$50]

9th award - So then I finished this row with 4 more awards from a \$1000 custom donation on 07-10-2018, 09:47 AM. I wanted this 3rd column to be all diamonds, and I knew I shouldn't ask for a white diamond just yet so I got a red diamond. But you can see that Omni eventually changed this red diamond into the white diamond later on. [\$500]

10th award - 07-10-2018, 09:48 AM, These next 3 came as a package. I am the first and only user with multiple Rich Bitches. To go with the x3 marijuana leaves, was my thought process. So it was worth the \$500 premium. [\$250]

11th award 07-10-2018, 09:48 AM [\$25]

12th award 07-10-2018, 09:48 AM [\$250]

Second legitimate, planned row completed 07/10/18

13th award 07-10-2018, 09:49 AM, I got the next 6 at the same time as the last row because I had already decided I wanted my 3rd row to be black themed. This row alone was pricey, for the sake of privacy I will just put \$1000+ whenever I made a sizable donation for a bundle of awards. It's always up to Omni's discretion on how much he charges for awards, so don't consider the deals I got a presidency. [\$1000+]

14th award 07-10-2018, 09:49 AM [Blk row deal]

15th award - Since r00t wasn't officially released yet, I had to wait 9 days to get the rest of my awards on 07-19-2018, 10:59 PM. It was worth the wait. You'll see now that the DOH was replaced with the ub3r sapphire since Omni converted all r00t into ub3rs a year or so ago. But I was the first r00t member, and got the rest of the black row after the release of r00t.

<https://twitter.com/HFWrit3rs/status/1020186584388440064> [Blk row deal]

16th award 07-19-2018, 11:00 PM [Blk row deal]

17th award 07-19-2018, 11:00 PM (you'll notice this one is gone - I sold it in the award market). [Blk row deal]

18th award 07-19-2018, 11:01 PM [Blk row deal]

Third legitimate, planned row completed 07/19/18

19th award About 2 weeks after I made the sizeable donation for the black row, I decided to donate for my 4th row on 07-23-2018, 10:37 PM. This one I went with all red (we were running out of colors now seeing as diamonds were limited and I knew my entire 3rd column would be only diamonds). I am still only 1 of 2 with a gift award from Omni, this was another pricey donation (it came with a nice 10-100k bytes bonus roll). [\$1000+] <https://prnt.sc/tutb4f>

20th award 07-23-2018, 10:37 PM - I am the only user with multiple Dicey awards. Again, I just chose an award that I thought Omni wouldn't mind me having multiples, to match my x3 column repeat theme. [Red row deal]

21st award 07-23-2018, 10:38 PM - This was my 2nd MD award within a month lol. I dropped bank on awards in July 2018... [Red row deal]

22nd award 07-23-2018, 10:38 PM [Red row deal]

23rd award 07-23-2018, 10:38 PM [Red row deal]

24th award 07-23-2018, 10:38 PM - You won 47491 Bytes, pretty nice bonus for this award bundle. Fourth legitimate, planned row completed 07/23/18

25th award So I took about a month off from large donation deals for awards, but at the end of August I decided to make the biggest deal yet on 08-31-2018, 12:18 PM. Obviously the purple row would be the most expensive seeing as the Grand Amethyst is a \$1,000 donation alone. This was also when I got the red diamond replaced with a white one in my 2nd row. [\$2500+]

<https://prnt.sc/tuthht>

26th award I was also the first person to have any purple gifts, let alone 3, about a year before their actual release. 08-31-2018, 12:20 PM. I later sold 1 for about \$300 when the award market opened and then swapped one for a dstat. [Purp row deal]

27th award 08-31-2018, 12:19 PM [Purp row deal]

28th award 08-31-2018, 12:19 PM [Purp row deal]

29th award 08-31-2018, 12:20 PM [Purp row deal]

30th award 08-31-2018, 12:20 PM [Purp row deal]

Fifth legitimate, planned row completed 08/31/18

I was happy with my 5 rows. I had one, if not the best, award layouts. Comparable to the likes of Steve's. There was no other diamonds available for me to obtain, since I was perm denied from ub3r and no r00ts were able to get ub3r, I had no plans of getting more awards after this set of 30. Until November 2018, with two BIG releases.

Award sorting - <https://hackforums.net/showthread.php?tid=5905145>

Award market - <https://hackforums.net/showthread.php?tid=5905569>

With the release of these two, I had to fucking capitalize. And that I did... I have gone through some contracts and will list some of the deals I made. I made ALOT. Both buying and selling!

Deal #1 - [Mr. Robot](#) on 11-19-2018, 01:45 PM. 14 awards for \$700 @ <https://hackforums.net/showthread.php?tid=5906169> . Great deal, love the blackhatter and spy awards woulda paid \$700 for them alone.

Spoiler [\(Click to View\)](#)

Deal #2 - [luke](#) on 11-19-2018, 02:59 PM. Did some trading. Throughout the first few months I gave any brony award I collected to Stratify (now known as luke) because I really didn't like that award and he wanted a full row of them and also traded him Stratify awards since his username at the time was Stratify.

Spoiler [\(Click to View\)](#)

+ for lukes + + \$35

Deal #3 - [Redwall](#) on 11-19-2018, 03:57 PM. 8 awards for \$350 @ <https://hackforums.net/showthread.php?tid=5909696> . Luke paid \$105 for brony and hackercraft, I got the other 6 for \$245. Kinda pricey tbh...

Spoiler [\(Click to View\)](#)

\$245 for these -

Deal #19 - [Riot](#) on 03-03-2019, 06:47 AM. My 23 awards for his \$600. By far my biggest regret. I f*cking WISH I kept all these awards man... it's something to note as well that he had to spend \$230 on bytes for the award transfer fees lol.
Spoiler ([Click to View](#))

Deal #20 - [iNviZ](#) on 04-30-2019, 07:36 PM. My FPS Gawd for his \$60. Awards really crashed and I guess I was desperate for cash around this time...

Spoiler ([Click to View](#))

Deal #21 - [BTC](#) on 05-09-2019, 09:33 PM. My Blackhatter for his \$100. Even though I bought this for \$100... I really wish I kept it. Black hatters are so cool and worth so much more than \$100.

Spoiler ([Click to View](#))

Deal #22 - [Money-](#) on 06-14-2019, 06:25 AM. My Blackhatter for his \$125. Ugh... wish I kept both these awards so then I'd still have x3 bhers.

Spoiler ([Click to View](#))

Deal #23 - [Honey Singh](#) on 06-18-2019, 09:33 PM. My White Hat Helper Wings for his \$100. My fattest L. These wings are worth sooooo much more than \$100... I didn't care much about awards during this point in time and just wanted to be done with them. Also the award market was closing around here.

Spoiler ([Click to View](#))

That concludes all my deals using the award market, until it was indefinitely closed on July 1st, 2019. <https://hackforums.net/showthread.php?tid=5983341>

I had so many different layouts from Nov 2018 - June 2019... here is my award layout thread: <https://hackforums.net/showthread.php?tid=5913729>

Okay so that brings us to the rest of my awards that do not say "xxx bestows xxx" (only 12 of my current awards are a result of the awards market!)

31st award 11-28-2018, 09:43 PM [\$100] - started copping stars while growing my award collection

32nd award 01-22-2019, 08:15 PM [\$50]

33rd award 01-22-2019, 08:16 PM [\$75]

34th award 03-27-2019, 12:19 PM - technically this was the day Omni deleted r00t, and I finally acquired the blue diamond. <https://hackforums.net/showthread.php?tid=5953786>

35th award 07-04-2019, 12:34 PM - award goals were released

<https://hackforums.net/showthread.php?tid=5986499>

36th award 07-04-2019, 12:39 PM

37th award 08-15-2019, 07:51 PM - The next 4 awards I got when I acquired ownership of Gamblers group. The sole reason I wanted a group was to have a pink username. But Omni wanted a fucking PREMIUM for the pink... so he charged me \$1500. I had him include the omni head, and x3 MM's (3rd person to acquire omni face award). I woulda been willing to pay ~\$500 for this set of 4 awards though so we'll count this deal as \$500 for the awards and \$1000 for the pink username clout (rumor has it other groups only paid \$300 for custom color lol). [\$500].

38th award 08-15-2019, 07:53 PM. x3 MM's to match my x3 Rich Bitches. [Pink username deal]

39th award 08-15-2019, 07:53 PM [Pink username deal]

40th award 08-15-2019, 07:53 PM [Pink username deal]

41st award 10-03-2019, 01:42 PM - First person to bet 100k bytes on sportsbook. I got this award

from these bets: Spoiler ([Click to View](#)). So yeah... this ended up being a VERY pricey award strictly because Cheifs f*cking CHOKED.

42nd award 11-01-2019, 03:47 PM - I remember when this was a \$1k dono award... yet it's listed for only \$200 now. Good thing I didn't exactly donate directly for this one. I did however drop \$1,000 on scratchcards during the 2019 Halloween BOGO sale which I ended up losing 100% of the bytes on sportsbook. I did pull a 250k win from one of these cards though, then lost it on a 250,000 sportsbook bet.

Spoiler ([Click to View](#))

43rd award 11-01-2019, 06:54 PM - One of the very few awards Omni randomly awarded me... the jokester. For my post here -

<https://hackforums.net/showthread.php?tid=6021005&pid=59108224#pid59108224>

44th award - Okay so it had been a while since I had done a big custom donation to Omni, and I had some award rows I wanted to finish so I made this deal for 9 awards on 11-07-2019, 09:53 PM. There were many stipulations but pretty much it cost [\$1000+]. I got enough awards to finish a blue row and an animal row.

45th award 11-07-2019, 09:54 PM [Blue row deal]

46th award 11-07-2019, 09:54 PM [Blue row deal]

47th award 11-07-2019, 09:55 PM [Blue row deal]

48th award 11-07-2019, 09:55 PM [Animal row deal]

49th award 11-07-2019, 09:55 PM [Animal row deal]

50th award 11-07-2019, 09:56 PM. Since I basically completed the stars, I was also granted this CD. Very nice award.

51st award 11-07-2019, 10:17 PM. I asked Omni to swap my green clover for a green box since this fit with my box column very nicely.

52nd award 11-07-2019, 09:44 PM. Part of this big 9 award deal was that Omni would delete one of my FPS gawds (I had two at the time), and then replace one with a new caption.

53rd award 12-02-2019, 09:08 PM. Just so no one gets butthurt, let's just say we checked in successfully for 100 days in a row to earn this.

Spoiler ([Click to View](#))

54th award 12-02-2019, 09:24 PM. Cyber Monday deals. More BOGO scratchers that I lost hundreds on lol, spent \$500 and lost all the bytes. I didn't blink another 250k pull, but I did score a 100k and a few 50ks from the 10 cards I scratched.

<https://hackforums.net/showthread.php?tid=6029824>

Spoiler ([Click to View](#))

55th award - So if you read all my award deals, you'll see at #19 I sold 20 crypto awards for pretty cheap. Sometime in mid 2019 I also had Omni delete 6 XMR awards and my drunk award... I regret all this. Anywho, Omni opened back up sales for all altcoins one last time and since I was missing most of them, I decided to get them all. This took a while to get all the specific coins lol and I had to use 3 different exchanges. This all happened on 01-20-2020, 11:48 AM. In total after all the exchanging fees and everything, I think it's safe to say these 13 altcoin awards cost around [\$350].

<https://hackforums.net/showthread.php?tid=6042137>

56th award This was the only award I had someone else donate the altcoin for me and I gave \$28 btc (for their \$25 DIVI). 01-20-2020, 11:53 AM [Alt coin bundle]

57th award 01-20-2020, 11:56 AM [Alt coin bundle]

58th award 01-20-2020, 12:00 PM [Alt coin bundle]

59th award 01-20-2020, 12:03 PM [Alt coin bundle]
60th award 01-20-2020, 01:00 PM [Alt coin bundle]
61st award 01-20-2020, 01:04 PM [Alt coin bundle]
62nd award 01-20-2020, 01:09 PM [Alt coin bundle]
63rd award 01-20-2020, 01:18 PM [Alt coin bundle]
64th award 01-20-2020, 06:29 PM [Alt coin bundle]
65th award 01-21-2020, 08:52 PM [Alt coin bundle]
66th award 01-21-2020, 09:19 PM [Alt coin bundle]
67th award 01-22-2020, 09:57 AM [Alt coin bundle]

68th award F*ck no I didn't make 5 blog posts for this award goal. I just made a custom dono for it on 01-22-2020, 09:57 AM. I needed these last 2 gold/yellow awards to finish my gold row. Well worth it. [\$170].

69th award 01-22-2020, 09:57 AM [\$170]. Spoiler ([Click to View](#))

70th award 01-22-2020, 09:59 AM. Omni was gracious enough to swap one of my extra purple gifts for this DSTAT award.

71st award 01-25-2020, 04:08 PM. First annual Gambler official award. Unfortunately the tournaments didn't get as much attention and participation as I wanted... but they were fun and I like having custom awards enough for me to want to do something like this every year. Grats to the 6 people who will forever hold the only 9 Diamond of Gambler awards in the history of HF. Exact price won't be provided but... [\$1000+].

72nd award 03-16-2020, 12:01 PM. Second person on the list for this award :) (I always shoot for top 3 on every new award). Fck Covid-19 [\$50].

<https://hackforums.net/showthread.php?tid=6057524>

73rd award 03-24-2020, 10:28 PM. Shoutout [Instagram](#) for this award. He gifted it to me lol

74th award 04-08-2020, 12:44 PM. Gotta support my man [Instagram](#) and cop one of his limited edition Monopoly head awards. Dope award. [\$225].

75th award 04-21-2020, 10:21 AM - \$50 4/20/20 sale... not entirely sure why I dropped \$650 on this day but it was cool to have all these awards + 13 egg awards. I ended up getting 7 blue eggs which was nice and useful to get my HUM award goal. You can see from the time slots that I originally only got 3 so then I'd have a full row of marijuana leaves (I had 3 from 2018 sale which those only cost \$25 ea smh). But then I bought 6 more lol... then I got the last 4 because I thought of some cool award layouts that would require 16 pot plants. [\$50].

76th award 04-21-2020, 10:21 AM [\$50].

77th award 04-21-2020, 10:21 AM [\$50].

81st award 04-21-2020, 10:33 AM [\$50].

82nd award 04-21-2020, 10:33 AM [\$50].

83rd award 04-21-2020, 10:33 AM [\$50].

84th award 04-21-2020, 11:32 AM [\$50].

85th award 04-21-2020, 11:32 AM [\$50].

86th award 04-21-2020, 11:32 AM [\$50].

87th award 04-21-2020, 11:42 AM [\$50].

88th award 04-21-2020, 11:53 AM. I didn't really want this, except at this point I was just going for as many awards as possible. Got Omni to just grant this award to me for free since I just dropped \$650 on the marijuana leafs lol

89th award 04-30-2020, 07:39 PM. Used the blue eggs I got from the 4/20 sale to get 50 kills. Ez.

90th award 05-05-2020, 02:22 PM. Bought one, got the other from the youtube video. [\$50].

95th award 08-13-2020, 03:34 AM. After my two month vacban, I came back and got this award pretty quickly. QLs are not that special tho... but I do like me a pink award ?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
