Thread: [Any ewhore methods that don't require snapchat?](#)

StickTalk - August 6, 2020, 12:30 pm

Literally every method that I've come across requires snapchat. I never have any success with that. Anyone know of anything different?

Yeah, you can definitely make money without Snapchat.

Twitter, Pinterest, Instagram, they all get the job done.

You don't have to sell premium Snapchat access, you can sell a Dropbox link.

yeah use a camgag vcw on cam4 and ask in chat for amazon giftcards and pm them there or use omegle bot and advertise your skype or kik ^^

Snapchat is where all ewhorers are, it's getting saturated.

Try Kik, Twitter.

Try Kik, Twitter.

Kik is even more saturated than snapchat. Twitter is a good idea.

Yeah sure, but there are lack of ewhorers on kik nowadays.

Yes, but your method works only if you are using a faceless VCW otherwise the members will see that the girl is not interacting with them.

I am not sure if I understand. Are you telling me, that supply of ewhores on kik is lower than demand?

That's what I got out of it. 99% of all the methods that are either shared, or sold have something to do with Snapchat. That's why i don't want to use it. It's saturated in my eyes. But there are people who are killing the game at the moment too.

I got a method that doesn't use snap and works pretty well pm me and I'll be more than happy to tell you about it

I've been able to make decent money off of Instagram alone, but a little more with twitter as well. Yes there are plenty of methods out there that don't involve snapchat but I don't think you can make as much as you would with snapchat.

icxn - August 31, 2020, 8:27 pm

Can someone explain to me why not use snap? like ig and twitter will work for sure but why? snap is perfect, you can send live pics for proof, what is the positives of twitter or ig, plus you have to make the profiles look legit while snap is simple one on ones
