Forget all those fake allegations. he was a pure musical genius. if you to young to know who he is go to youtube kiddos.

MightyOne - August 8, 2020, 4:53 am

He died only at 2009, im sure most of the users here know who he was.

Regardless the allegations, he was a music kind. HOWEVER, you cant fucking put the allegations aside. he abused children's.

no matter how much he donated or did will change that fact.

Same goes for Jeffrey epstein.

What makes you so sure he was innocent? (Serious question)

Injun Joe - August 8, 2020, 6:35 am

I used to be a MJ's hardcore fan in 90s, I still listen to his songs.

shakur123 - August 8, 2020, 6:40 am

This is the perfect moment for me to shock all of the REAL MJ fans out there!

Video; <https://www.youtube.com/watch?v=En5Q4syywcw>

Explain;

Dave dave (yes his 'real' name..) was a best friend of MJ. He talks about him with such love and sadness at the same time.

Conspiracy / weird facts;

< Dave Dave was never mentioned by MJ before when he was alive

< Dave Dave sounds exactly like MJ when listening closely to his voice

< Dave Dave got major burning injuries as MJ would have, IF, he would be alive

< Dave Dave talks about MJ in some sentences as a third person, while it sounds like he talks about himself

< Conspiracy >

Dave Dave is the 'real MJ' and got burned. Since his family and producer didn't want MJ to be

performing out there all burned and stuff, they decided to use one of his clones. Which is the same reason why his nose 'fell off' as well as why he didn't grow any hair, as he used to do. Cloning isn't a conspiracy, PM me for 'real proof' of companies that are specialised in cloning animals and more for an insane price.

Discussion;

Which of you REAL MJ FANS do believe that he is the real MJ?

Do you think Dave Dave sounds like him? If not, why not? Also, why is Dave Dave never mentioned by MJ before if he was so close to the famous star?

What Michael Jackson gave to the music industry is priceless. I listen to him for his music, not for the person he was. Legendary artist.

Must be one of your greatest moments in your life, it's sad I had no chance to see him live.

I watched story of michael jackson. He was the youngest of the siblings and the most talented. I think they were called the jackson 5 before.
