Thread: [What's your favorite liquor/drink in this hot summer days?](#)

Shiny Diamond - August 12, 2020, 3:25 am

My personal favorite is cold Gin (Bombay Sapphire) + Tonic (Schweppes) with two slices of lemon, lime, persian rose flower, a little bit of dry hibiscus. All those combined together makes it very tasty and refreshing

Whats your first choice, whats your fav ;) ?

Long Island iced tea, Yuengling, or a regular Angry Orchard. I'm a man of varied tastes.

Malthemar - August 12, 2020, 6:12 am

English apple cider of course.

What else?

Bacardi Cola Lime - August 12, 2020, 6:56 am

I go with either a beer or a Bacardi, cola and a bit of lime. Go figure.

Simple and cheap. Can't go wrong.

Lately I've just been drinking beer when I drink, but if you're including non alcoholic drinks then hella coffee.

Can't get enough of beer.. it just goes one after another while at the same time not killing my thirst . Is it just a regular coffee or huge cup of ice coffeeyou like to drink ?

Exactly beer goes too quick.? Yeah I like iced coffee, it's been a while since I had a hot cup of coffee. I get usually 2 large iced coffees through my day, sometimes a third depends what I'm up to.

Yeah I'll probably agree with you there mate

Can never go wrong with a Paloma during a hot day though

?ystem - August 12, 2020, 8:16 am

Are we strictly speaking in terms of alcoholic beverages or is it any ole drink? If so, my favorite thing to drink on hot summer days would easily be grape Powerade.

wizardblizzard - August 12, 2020, 8:18 am

I can't hold down liquor well, but Budweiser is the best beer for my tastebuds.

Russian bear - August 12, 2020, 9:43 am

You prefer more lemon tea or peach tea?
Personally i prefer lemon, but all my friends prefer peach tea.

Demize - August 12, 2020, 12:41 pm

Y'all ever crave a nice cold beer

Artisan - August 12, 2020, 1:44 pm

Staying off of alcohol for a while now. My all time favorite is lemonade (on the sweeter side) with ice shavings.

racoonweeweessucker69 - August 12, 2020, 1:44 pm

Cold pulpy orange juice, no alchohol beats it.

RIP Juice WRLD - August 12, 2020, 1:48 pm

Coca-Cola Zero or Fanta Lemon with Smirnoff vodka.

SIM-4660060 - August 12, 2020, 2:12 pm

Either of them works for me, as long as they are cold.
But thinking about it, I guess I'd like lemon more than peach.

f o r m i d a b l e - August 12, 2020, 3:28 pm

I try to stay away from spice and sugar, but I like the Mangonadas.
If there was a beer pong like stash of that on the table I'll go crazy with it.
I would make it less spice.
If it must be liquor, vodka & 7up.

Free Kurdistan - August 12, 2020, 3:39 pm

Cold lemon ice tea makes me cool down sooo fast.

Silent hill - August 12, 2020, 4:08 pm

MightyOne - August 13, 2020, 7:05 am

I don't really drink much alcoholic beverages but if i were to choose a nice cold beverage drink right now it would 100% be the Orange juice. lmao

Drug Problems - August 13, 2020, 7:59 am

Summer alcohol: "99 Peaches"
Summer soda: "Dr. Pepper"

Pretty much all I drink besides water lmao. I don't drink often though, I prefer to just stick with certain drugs, that you can't mix with.

In this summer time I would always love to have cold melon juice or sweet pineapple juice and more water as well to keep myself hydrated.

jecoylecoy - August 13, 2020, 11:18 am

Im not drinking liquor anymore so gatorade or coffee is my choice.

PAXFun - August 13, 2020, 2:29 pm
