Good seller just bought first 400 acc worked but after 60\$ failed.. Got a replacement totally got to spent 114 out of 400. Quick service just accounts not that good.

Hi, would be interested. But afaik streamate blocks accounts with different ip's within minutes..so how to solve that?

SimpleMindedJacks - January 13, 2021, 7:17 am

I have no clue how to use discord

Sellers a scammer. Sells accounts with credits used so when you login it gets banned instantly so he blames you. Scam trash
