Thread: [can fb vulnerable by xss?](#)

newuser431 - August 14, 2020, 5:55 am

Can fb and insta vulnerable to xss?

if yes please describe the method.

thnks

Humaantje - August 14, 2020, 9:50 am

Possible? yes. Likely? no.

Shaggy - August 15, 2020, 2:28 am

The method? Just be lucky i guess

As u keep ignoring me and blocked me after u took my money and didn't provide me with the service stated in our contract I can only write this under every Bio-Thread so u start responding. Your behaviour is utterly shady in a way that u scamed me for a low amount of 800 Dollar. How cheap is that? I want that u start ansering me and stop playing dead!
