Hello hackforums ?

I'm back for offer my free method.?

Today i offer you the possibility of saving a lots of money.

You want a Youtube Premium account for cheap price (2\$/3\$ per months) ?

The original price of an account like 10\$/12\$ per months... ???

You can save minimum 100\$ for one year.

For this method you need VPN for it work but it's really easy and not blackhat activity.

You can do this for your personal account but you need vpn.

Spoiler ([Click to View](#))

How get Youtube Premium for cheap fast and legally. (One years if you want.)

1 - Go to your web browser and login to your account you want the premium.

2 - Go to <https://youtube.com/premium> and look the original price per months.

3 - I'm on france then the price is 11,99€/months but i thinks it's same on USA.

4 - Now go quit your browser but not logout your Youtube account.

5 - Launch your vpn and select UKRAINE country and connect you.

6 - Open again your web browser go to <https://youtube.com/premium> and look price now.

99,00 UAH/months = 3€

You saved 9€ per months or 108€ for one years.

You can also check price from other country (Asia, Russia and more...).

(For family account you save 170€ for one year. Original price : 18€ per months.)

149 UAH = 4,60€

You can find free vpn here : <https://www.techradar.com/vpn/best-free-vpn>

If you have any question you can post here.

Have fun all people ????

For thanks just thanks me here. ?
