1996 Quiksilver Mega Wool Jacket

Text on tee: "QuickSilver"

Description: Vintage Quiksilver Jacket, Heavy duty buttons, coated wool insides, steel zip. Size XL
This is by far one of the warmest jackets I've ever worn! It's absolutely huge and weighs a fricken ton. It's completely made out of Denim on the exterior and the interior is a beautiful warm wool.
Dated 1996. Great Condition

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
