For those who are unfamiliar with the website, these are some facts that you should keep in mind before or after signing up with OP's referral.

YoBit.net;

- > Deposits can only be done with; "PerfectMoney, AdvCash and Payeer"
- > There is no "Know Your Customer" required
- > Fees are different from 1 - 7%

More information can be found here, which is the same source as I used for writing this post.
