Thread: [Resolve ANY Cloudflare to IP - NEW METHOD - ANY CLOUDFLARE PROTECTED WEBSITE](#)

Scrubspoo - August 16, 2020, 5:55 pm

I have a new cloudflare 0day that reveals the true backend IP of ANY cloudflare protected website. Gain an advantage over the competition.

I am doing resolves for \$500 BTC.

This service is exclusive. If you are interested please contact me. ? XMPP = scrub@dismail.de

I would like to vouch for the service, if you let me test it.
Tt has to be with a domain that others cant resolve.
